Successful Creativity Iaw:

Creativity, Law and Entrepreneurship Shubha Ghosh, Robin Paul Malloy, 2011-01-01 Creativity Law and Entrepreneurship explores the idea of creativity its relationship to entrepreneurship and the law s role in inhibiting and promoting it Our inquiry into law and creativity reduces to an inquiry about what people do what activities and actions they engage in What unites law and creativity work and play is their shared origins in human activity however motivated to whatever purpose directed In this work contributors from the US and Europe explore the ways in which law incentivizes particular types of activity as they develop themes related to emergent theories of entrepreneurship public private and social lawyering and the creative process creativity in a business and social context and creativity and the construction of legal rights

Creativity and Crime David H. Cropley, Arthur J. Cropley, 2013-07-25 Creativity is typically perceived to be a positive constructive attribute and yet highly effective novel crimes are committed which illustrate that creativity can also be utilised to serve a darker and more destructive end But how can these creative criminals be stopped Adopting a psychological approach renowned subject experts Cropley and Cropley draw upon concepts such as Person Process Press and Product to explain how existing psychological theories of creativity can be applied to a more subtle subset of ingenuity that is to say criminal behaviour and its consequences Creativity and Crime does not look at felony involving impulsive reflexive or merely deviant behaviour but rather the novel and resourceful measures employed by criminals to more effectively achieve their lawbreaking goals The book transcends the link between crime and creativity and proposes a range of preventative measures for law enforcers Scholars and graduates alike will find this an invaluable and illuminating read

The 100 Absolutely Unbreakable Laws of Business Success Brian Tracy, 2002-01-11 What makes one business flourish while another fails This book of laws has something for everyone who wants to be a success in any walk of life Gen H Norman Schwartzkopf In The 100 Absolutely Unbreakable Laws of Business Success Brian Tracy draws on thirty years of experience and knowledge to present a set of principles or universal laws that lie behind the success of businesspeople everywhere in every kind of enterprise large and small These are natural laws he says and they work everywhere and for everyone virtually without exception Every year thousands of companies underperform or even fail and millions of individuals underachieve frustrated by thwarted ambition and dreams all because they either attempted to violate or did not know these universal laws But ignorance of the law is no excuse Tracy breaks the 100 laws down into nine major categories Life Success Business Leadership Money Economics Selling Negotiating and Time Management Drawing on a lifetime of observation investigation and experience Tracy not only identifies and defines each law he also reveals its source and foundation whether in science nature philosophy experience or common sense He illustrates how it functions in the world using real life anecdotes and examples and shows how to apply it to your life and work through specific questions practical steps and exercises that everyone can use sometimes in just minutes to begin the journey toward greater business success Eloquently yet practically
