**Successful Fur Trapping** Keith Blackwood,2003-09 AIDS and death has been manifested onto the earth through man s ignorance With the vast amount of knowledge that man has acquired he has the power to overcome death but the power to fight death is in the truth of the spirit The cure for AIDS is within the oneness of each person which is to say I am is the only one who can help me I am unites both God and man as one in spirit instead of the law The cure for AIDS is not in this book it is in the understanding of what I am saying It is impossible to understand what I am saying without motivating you to make a shift in consciousness from the realm of the physical to the realm of the spirit The cure for AIDS is within you in the realm of the spirit It is the spirit of truth which is man s sixth sense AIDS is not a curse It is nature s way of motivating man to overcome death
