Animal Suffering and the Problem of Evil Nicola Hoggard Creegan,2013-04-11 Nicola Hoggard Creegan offers a compelling examination of the problem of evil in the context of animal suffering disease and extinction and the violence of the evolutionary process Using the parable of the wheat and the tares as a hermeneutical lens for understanding the tragedy and beauty of evolutionary history she shows how evolutionary theory has deconstructed the primary theodicy of historic Christianity the Adamic fall while scientific research on animals has increased appreciation of animal sentience and capacity for suffering Animal Suffering and the Problem of Evil responds to this new theodic challenge Hoggard Creegan argues that nature can be understood as an interrelated mix of the perfect and the corrupted the wheat and the tares At times the good is glimpsed but never easily or unequivocally She then argues that humans are not to blame for all evil because so much evil preceded human becoming Finally she demonstrates that faith requires a confidence in the visibility of the work of God in nature regardless of how infinitely subtle and almost hidden it is affirming that there are ways of perceiving the evolutionary process beyond that nature is red in tooth and claw **Why Does God Allow Evil and Suffering?** Mike

The Problem of Evil and Suffering Edward P. Myers, 1978-03-01

The Challenge of Evil William Greenway, 2016-12-02 Belief in God in the face of suffering is one of the most intractable problems of Christian theology Many respond to the spiritual challenge of evil by ignoring it blaming God or insisting on the inherent meaninglessness of life

In this book William Greenway contends that we don't have to deny our moral selves by either ignoring evil or abandoning our moral sensibilities toward it. We can open our eyes fully to suffering and evil and our own complicity in them. We can do so because it is only in this full acceptance of the world's guilt and our own that we make ourselves fully open to agape to being seized by love of others and God. Inspired by the Jewish philosopher Emmanuel Levinas and the Christian novelist Fyodor Dostoyevsky, *The Challenge of Evil* lovingly explains how we can look squarely at the overwhelming suffering in the world and still by grace have faith in a good and loving God.

Evil And Suffering Louis Lavelle, In two essays first published in book form in 1940 Louis Lavelle delves into Evil and Suffering tracing their relationships with Good and Happiness the Body and the Spirit Matter and Spirit Evil and Suffering is considered a work of moral philosophy. In it Lavelle leads us to reflect on suffering and how it is inserted in the inner and outer world of the being. From this experience of living suffering according to the author the spirit arises. The marks that pain causes in us allows us to transcend what we are to the external world after understanding ourselves with suffering in the inner world. If suffering is an inherent condition of human life it remains for him to do his best face it and overcome it. According to Lavelle it is suffering itself that gives meaning to life but this is only possible if there is awareness that one suffers because it is this awareness that awakens the spirit. The author also through antitheses tells us that it is in the absence that we find the presence in the darkness we see the light in loneliness we find community in an inner deepening where we perceive reality. Therefore suffering connects beings. Pain shapes us awakens us and makes us better beings if we know how to face it. Reading this book of incredible spiritual richness generates in us a dialogue about suffering in order to transcend it.

Evil and Suffering in a Sovereign God's World Marc Grimaldi, 2017-03-30 The logical dilemma goes something like this: God is before all things and the creator of all things. God is sovereign over all that transpires. Evil and suffering exist. How can we conclude anything other than that God is the author of evil? How can we deny that God in some way delights in evil? Many good and faithful Christians have struggled with these kinds of questions or at the very least with sufficiently answering them when prompted by inquiring unbelievers. In *Evil and Suffering in a Sovereign God's World* Marc Grimaldi seeks to get to the root of this dilemma while coming to the necessary conclusion that God must be good all the time. In the process of doing this he addresses such topics as God's sovereignty and man's accountability, the existence of evil, fatalism, how the cross of Christ sheds light on these issues, and the practical relevance of knowing these things.

Why? Russell Stannard, 2003 How do we make any sense of evil, suffering and death?

God You're Breaking My Heart Brian Grogan, 2016-05-07 Most of us puzzle all our lives over suffering. Why should this happen to me? Why should that happen to someone whom I love? Is God out to punish me? What have I done to deserve this? The problem of suffering and evil tortures the human mind. Each of us develops our little philosophy of

suffering I deserved it God punishes those he loves Darkness is the shadow of God s outstretched hand etc From the beginning we can presume humankind puzzled over the things that went wrong injury death famine Only when we meet God face to face will our complaints and queries be fully set at rest In the meantime we can be comforted and comfort others by the glow of light that the Christian tradition offers On a dark night even a small candle is a help until the big light is switched on Divine light shines in the darkness of suffering which the darkness cannot overcome
