

A man in a dark trench coat and a light-colored fedora hat stands in a dark, rainy environment. He is holding a handgun in his right hand, pointing it towards the viewer. His left hand is raised, touching a dark, draped fabric that surrounds him. The scene is dimly lit, with rain visible in the air, creating a moody and dramatic atmosphere.

*Samuel, Kings, Chronicles, Ezra-Nehemiah* Athalya Brenner-Idan, Gale A. Yee, 2021-07-29 This volume brings together disparate views about biblical texts in the books of Samuel Chronicles and Ezra Nehemiah and examines their influence in the life of contemporary communities demonstrating how today's environments and disorders help readers to acquire new insights into such texts The contributing scholars hail from different continents from East Asia to the United States to Europe to South Africa and Israel and count themselves as members of various Jewish and Christian traditions or secularist ways of life But in spite of their differences in location and community membership and perhaps in the spirit of the times 2020 and its global discontents they share preoccupations with questions of ethics in politics and life proper death violence and social exclusion or inclusion This volume offers readers a better understanding of how politics and faith can be melded both in ancient and contemporary contexts to serve the interests of certain classes and societies often at the expense of others
