The Interpretation Of Narrative:

The Interpretation of Narrative Morton W. Bloomfield,1970 **Interpretation of Narrative** Morton W. Bloomfield,1971 Narrative Values, the Value of Narratives Sjoerd-Jeroen Moenandar,Barend van Heusden,2024-08-05 There is a growing interest in studying narrative discourse as experimental values laboratory both reflecting social values and participating in their circulation Given the omnipresence of narrative and story telling practices in public life from advertising to politics law and the media the need for narrative savviness that is the ability to read for the values that inhere in and are transmitted through narrative transcends the study of fiction This volume brings into focus the ways in which narratives are informed and shaped by values and how they transmit values themselves The authors in the volume take a broad range of approaches to narrative including narratology rhetoric ecocriticism narrative meta hermeneutics applied narratology and frame theory By bringing together strands of contemporary narrative theory that are not often found in dialogue with one another the volume aims to capture the most recent developments in the study of narrative ethics

Understanding Narrative James Phelan,Peter J. Rabinowitz,1994 Although the contributors demonstrate affiliations with different theoretical movements including Marxism feminism psychoanalysis reader response criticism and poststructuralism their inquiries suggest significant shortcomings in the popular practice of classifying critical output according to a static model of theoretical schools The contributors dynamic theory practice presented here draws upon diverse theoretical principles according to the specific demands of their inquiries staking out their arguments not by drawing simple oppositions but by striking different balances in the theoretical material on which they draw **Narratology and Interpretation** Jonas Grethlein,Antonios Rengakos,2009 The categories of classical narratology have been successfully applied to ancient texts in the last two decades but in the meantime narratological theory has moved on In accordance with these developments Narratology and Interpretation draws out the subtler possibilities of narratological analysis for the interpretation of ancient texts The contributions explore the heuristic fruitfulness of various narratological categories and show that in combination with other approaches such as studies in deixis performance studies and reader response theory narratology can help to elucidate the content of narrative form Besides exploring new theoretical avenues and offering exemplary readings of ancient epic lyric tragedy and historiography the volume also investigates ancient predecessors of narratology **Narratologies** David Herman,1999 **Diatessarica (a series dealing with the interpretation of the Gospels). 10 pt. [with] Indices** Edwin Abbott Abbott,1916 **Understanding Narrative Inquiry** Jeong-Hee Kim,2015-03-03 **Understanding Narrative Inquiry** The Crafting and Analysis of Stories as Research is a comprehensive thought provoking introduction to narrative inquiry in the social and human sciences that guides readers through the entire narrative inquiry process from locating narrative inquiry in the interdisciplinary context through the philosophical and theoretical underpinnings to narrative research design data collection excavating stories data analysis and interpretation and

theorizing narrative meaning Six extracts from exemplary studies together with questions for discussion are provided to show how to put theory into practice Rich in stories from author Jeong Hee Kim s own research endeavors and incorporating chapter opening vignettes that illustrate a graduate student s research dilemma the book not only accompanies readers through the complex process of narrative inquiry with ample examples but also helps raise their consciousness about what it means to be a qualitative researcher and a narrative inquirer in particular

The Interpretation of Literature William Henry Crawshaw,1896 Before Reading Peter J. Rabinowitz, How does what we know shape the ways we read Starting from the premise that any productive theory of narrative must take into account the presuppositions the reader brings to the text Before Reading explores how our prior knowledge of literary conventions influences the processes of interpretation and evaluation Available again with a new introduction by James Phelan

Rewriting Leadership with Narrative Intelligence Greg Morgan,2019-05-22 Rewriting Leadership with Narrative Intelligence draws on a range of disciplines and scholarly traditions to build a compelling case for a new perspective on leadership seeing it as a deeply embodied intuitive skill of curating shared narratives in influence relationships The Scottish Review ,1883
