The Interview With God:

An Interview with God F. W. Shannon, 2015-08-02 David lands an interview with a man claiming to be God In an expansive apartment in Soho he finds two lawn chairs a beer cooler and a man dressed in jeans tee shirt a ball cap and flip flops claiming to be The Creator Of The Universe The questions he asks are those mankind has been asking for centuries The answers might just blow your mind and open your heart This jaunt into the examination of the human condition covers The Holy Trinity Marriage Gay Marriage The Government Bigfoot Aliens The Loch Ness Monster The Origin Of Man The Big Bang Theory War Love Hate Sickness Loss Our Individual Purpose For God s Plan Even The Meaning Of Life Kick back and dig in And don t be surprised if you find yourself changed after reading this book *An Interview with God* Woodrow Kroll, 2004-04-01 Answers I want answers Most people have burning questions about God and the way He operates in this world The problem is finding Biblical answers Better yet it is a book that not only satisfies your questions but provides a framework for discovery on your own Woodrow Kroll has taken on this task and gives us a unique approach answering in God s voice just as if you were posing questions to Him in your living room The unconventional pulls no punches style will appeal to an audience weary of pat answers and hungry for the truth **The Midas King Chronicles Vol. I "An Interview With God"** Alton One Jenkins, 2014-01-10 The Midas King Chronicles Vol I An Interview With God a modern man whose destiny is the fulfillment of an ancient prophesy His soul divided and haunted by personal tragedies and secret shames He encounters a mysterious angelic like figure known to him only as David whom together they embark on superluminal travel back in time where long buried family and religious secrets threaten to upset the balance of good and evil in the world as we know it today *Divine Love - An Interview with God - The Source of Attraction* Jahnavi Foster, 2012-10-01 Divine Love is a book of spiritual wisdom intended to reignite our divine inner consciousness and help us reconnect to God As humanity is reawakening we are remembering who we really are divine loving beings The more we reconnect to our true divine loving nature the easier it will be to shift the energy in a more positive direction and create great change in the world *An Interview with God* Stephanie Hill Nchege, 2017-12-07 How many times have you asked God why or What do you want from me Lord Maybe you ve even asked God Why am I here what is the purpose of my life But have you ever thought about the questions that God asks Throughout this book we explore questions that each of us have probably asked God at some point in our lives I also share some of my own personal life stories that occurred or were given in response to the questions God asked me This book challenges you to see yourself as having your own personal interview with God the head boss himself and to reflect upon what your answers are to God when he calls you for an interview Many times God sends his angels to let us know that we ve just been called for an interview Whether we feel prepared or not the book reminds us that God conducts these interviews for our good and he always wants to promote us or qualify us for the next position Questions can be powerful tools They can help us to map out our God ordained visions Questions help us to identify the answers that lie inside

of our hearts And I believe that it is those answers that unlock our purpose the mysteries of our heart and deepen our relationship and walk with God Are you ready for your interview with God He is ready to share heart to heart matters

Internet Babylon Greg Holden,2013-11-09 This book looks at the Internet from a sordid and entertaining perspective The line between truth and fiction is blurred on the net just as it is in Hollywood and so are the scandals involving well known movie and TV personalities politicians and the Internet s own brand of celebrities The battle between illusion and reality is every bit as intense on the Internet as on the celluloid screen Going beyond sites that glorify the seamier side to life Internet Babylon is a guide to the unique sites that appeal to selective sensibilities Internet Babylon gives you the ability to live vicariously through and be a participant in extraordinary even strange goings on that you might never otherwise encounter in your day to day life You ll not only find entertaining and titillating stories that define the rough and wild side of a major force in society that s still developing but you ll also discover the tools you need to be on top of breaking stories and find the news that s not fit to print
