The Isis Pedlar:

The Isis Pedlar Monica Hughes,1994 The Isis Pedlar [sound Recording] Monica Hughes,1984 The community of the planet of Isis misled by power hungry space captain Michael Joseph Flynn moves down the path of destruction until Moira the captain's daughter exposes his self-serving designs The Isis Trilogy Monica Hughes,2006 The Keeper of the Isis Light is the first book in Monica Hughes' acclaimed trilogy and it is the story of Olwen Pendennis the Keeper of the Isis Light She and her companion Guardian have lived alone on the remote planet Isis since the death of her parents Now colonists from an overcrowded and polluted Earth have landed and are settling in the valleys Olwen fears these new inhabitants may ruin her world forever and it seems she may be right Years later in Hughes' sequel The Guardian of Isis the planet remains pristine and remote even after the arrival of settlers from Earth Over time the settlers have abandoned the technological knowledge of their ancestors and replaced it with myth But one young man seeks the truth and he soon gets the chance to find it The final chapter in the Trilogy The Isis Pedlar brings the devious Michael Joseph Flynn and his daughter Moira to Isis Michael's magic firestone his strangely delicious ambrosia and his mysterious Forever Machine are beguiling to the humble members of the Isis community Only Moira can expose this smooth talking pedlar for the charlatan that he is But will she be able to do it in time to save the simple agricultural community **The Isis Trilogy** Monica Hughes,2017-10-31 This newly designed paperback edition brings together the stories of an acclaimed trilogy first published between 1980 and 1982 by an internationally renowned author of fantasy and science fiction The Keeper of the Isis Light is the first book in Monica Hughes' acclaimed trilogy and it is the story of Olwen Pendennis the Keeper of the Isis Light She and her companion Guardian have lived alone on the remote planet Isis since the death of her parents Now colonists from an overcrowded and polluted Earth have landed and are settling in the valleys Olwen fears these new inhabitants may ruin her world forever and it seems she may be right Years later in Hughes' sequel The Guardian of Isis the planet remains pristine and remote even after the arrival of settlers from Earth Over time the settlers have abandoned the technological knowledge of their ancestors and replaced it with myth But one young man seeks the truth and he soon gets the chance to find it The final chapter in the Trilogy The Isis Pedlar brings the devious Michael Joseph Flynn and his daughter Moira to Isis Michael's magic firestone his strangely delicious ambrosia and his mysterious Forever Machine are beguiling to the humble members of the Isis community Only Moira can expose this smooth talking pedlar for the charlatan that he is But will she be able to do it in time to save the simple agricultural community This trilogy is a testament to Hughes' enormous talent for writing thought-provoking speculative fiction *The Isis Trilogy* ,2017 The Keeper of the Isis Light is the first book in Monica Hughes' acclaimed trilogy and it is the story of Olwen Pendennis the Keeper of the Isis Light She and her companion Guardian have lived alone on the remote planet Isis since the death of her parents Now colonists from an overcrowded and polluted Earth have landed and are settling in the valleys Olwen fears these new inhabitants may ruin her world forever and it seems she may be right Years

later in Hughes sequel *The Guardian of Isis* the planet remains pristine and remote even after the arrival of settlers from Earth Over time the settlers have abandoned the technological knowledge of their ancestors and replaced it with myth But one young man seeks the truth and he soon gets the chance to find it The final chapter in the Trilogy *The Isis Pedlar* brings the devious Michael Joseph Flynn and his daughter Moira to Isis Michael s magic firestone his strangely delicious ambrosia and his mysterious Forever Machine are beguiling to the humble members of the Isis community Only Moira can expose this smooth talking pedlar for the charlatan that he is But will she be able to do it in time to save the simple agricultural community

Utopian and Dystopian Writing for Children and Young Adults Carrie Hintz, Elaine Ostry, 2013-10-11 This volume examines a variety of utopian writing for children from the 18th century to the present day defining and exploring this new genre in the field of children s literature The original essays discuss thematic conventions and present detailed case studies of individual works All address the pedagogical implications of work that challenges children to grapple with questions of perfect or wildly imperfect social organizations and their own autonomy The book includes interviews with creative writers and the first bibliography of utopian fiction for children

[Young Adult Literature and Culture](#) Harry Eiss, 2009-03-26 This book offers a multifaceted approach to the world of young adults everything from Ray Schrock s use of Walter Dean Myers sports stories to discuss race relations and cultural politics to Joyce Litton s analysis of the highly popular *Sisterhood of the Traveling Pants Quartet* The cover illustration is done by Joel Rudinger based on his experiences with the Inuit where he learned many of their legends and myths resulting in his own excellent work on *Sedna* the creation goddess a story filled with deep tragedy mystery and the world of the spirits This mythic world slides into the discussion of Harry Eiss one that focuses on *The Isis Trilogy* best known of Monica Hughes many works who writes Science fiction and fantasy in particular are valid carriers of myth for the 20th century and most especially for young people Margaret Best and Susann deVries also give us literature that uses science They begin The science fair project is the central metaphor and the reality in Paul Zindel s *The Effect of Gamma Rays on Man in the Moon* Marigolds 1970 Christopher Paul Curtis s *Bucking the Sarge* 2004 and Joyce Maynard s *The Cloud Chamber* 2005 After providing an overview science fiction Sally Sugarman offers a study of the entire genre For this study two hundred and thirty nine high school students from two schools in Vermont and Massachusetts were surveyed Alethea K Helbig provides an overview of her important activities promoting literature for the young She was a seminal scholar and educator when colleges and universities were just beginning to take the study of such literature seriously when English departments were initiating serious undergraduate and graduate classes in what previously had been seen as inferior literature Her life itself provides us with an entertaining and historically valuable autobiographical account of a person at the center of the change that has taken and continues to take place Jerry Loving expands the horizons of the entire collection of essays providing a firsthand account of how the young are educated in China including a detailed history It begins I have been traveling to mainland China at least 4 to 6 times a year as a teacher or education evaluator since

2002 As the visits and years passed I watched the education system of China slowly improve to the level my schools were like when I went to school in the 50 s and 60 s

[The 100 Most Popular Young Adult Authors](#) Bernard A. Drew,1997-10-15 The book focuses on individuals writing in the 90s but also includes 12 classic authors e g Mark Twain Louisa May Alcott J R R Tolkien who are still widely read by teens It also covers some authors known primarily for adult literature e g Stephen King and some who write mainly for middle readers but are also popular among young adults e g Betsy Byars An affordable alternative to multivolume publications this book makes a great collection development tool and resource for author studies It will also help readers find other books by and about their favorite writers

[Young Adult Science Fiction](#) C. W. Sullivan III,1999-03-30 At the close of the nineteenth century American youths developed a growing interest in electricity and its applications machines and gadgetry When authors and publishers recognized the extent of this interest in technology they sought to create reading materials that would meet this market need The result was science fiction written especially for young adults While critics tended to neglect young adult science fiction for decades they gradually came to recognize its practical and cultural value Science fiction inspired many young adults to study science and engineering and helped foster technological innovation At the same time these works also explored cultural and social concerns more commonly associated with serious literature Nor was young adult science fiction a peculiarly American phenomenon authors in other countries likewise wrote science fiction for young adult readers This book examines young adult science fiction in the U S and several other countries and explores issues central to the genre The first part of the book treats the larger contexts of young adult science fiction and includes chapters on its history and development Included are discussions of science fiction for young adults in the U S and in Canada Great Britain Germany and Australia These chapters are written by expert contributors and chart the history of young adult science fiction from the nineteenth century to the present The second section of the book considers topics of special interest to young adult science fiction Some of the chapters look at particular forms and expressions of science fiction such as films and comic books Others treat particular topics such as the portrayal of women in Robert Heinlein s works and representations of war in young adult science fiction Yet another chapter studies the young adult science fiction novel as a coming of age story and thus helps distinguish the genre from science fiction written for adult readers All chapters reflect current research and the volume concludes with extensive bibliographies

[The A to Z of Science Fiction Literature](#) Brian Stableford,2005-09-13 Science Fiction literature also known as sci fi and sf is one of the more recent genres and also one of the more popular It only truly emerged during the 20th century and has not stopped growing in terms of authors titles and readers It has also evolved into a variety of subgenres ranging from hard sf to soft sf from Utopias to dystopias with more than a smattering of horror

detective war and feminist titles Stableford covers all these aspects and more taking a close look at what has become a booming industry with its specialized writers publishers and fan magazines The compendium includes not only sf from the United States and United Kingdom but also France Russia and many others While the chronology charts the genre s dazzling growth and the dictionary section looks at writers books themes and other specifics the introduction provides exceptional insight into what Science Fiction Literature is all about Who's who in Canadian Literature ,1997 **The Riverside Anthology of Children's Literature** Judith Saltman,1985 An anthology of nursery tales and rhymes nonsense verse poetry folklore mythology epics fiction and non fiction from a variety of sources *The Impact of Literature-based Reading* Donna E.
