

THE JAZZ SINGER™

The Jazz Singer

Ian Wojcik-Andrews

The Jazz Singer:

The Jazz Singer Samson Raphaelson, 1925 The son of a Jewish Cantor must defy his father in order to pursue his dream of becoming a jazz singer **The Jazz Singer** Danny Thomas, Peggy Lee, Mildred Dunnock, Eduard Franz, Frank Davis, Leonard Stern, Lewis Meltzer, Le Roy Prinz, Louis F. Edelman, Michael Curtiz, 2010 **Only in America** Richard Bernstein, 2024-10-08 A probing biography of world renowned Jewish singer and actor Al Jolson and the history of his performance in and the making of *The Jazz Singer* Al Jolson born Asa Yoelson immigrated from a shtetl in Lithuania to the United States in 1894 after his father secured a job as a rabbi in Washington D C A poor Yiddish speaking newcomer navigating a racially segregated and antisemitic America young Jolson dreamed of becoming a star and he did Thanks to his immense talent and his knack for assimilating into new environments by the time he reached his twenties he was the most famous and highly paid entertainer in America making almost 5 000 a week at a time when the average American made 800 a year Jolson s public adoration and widespread acceptance as a star marked the beginning of an enriching cultural transformation a moment when the American mind opened up to ethnic and racial differences widening the gap of acceptability And yet Jolson himself despite being ferociously ambitious and gigantically talented was crippled by insecurity often nervous to the point of collapse prisoner to his many vices Through Jolson Bernstein simultaneously breaks open the history and legacy of the cultural sensation *The Jazz Singer* Not only was *The Jazz Singer* the first feature length film with synchronized music and dialogue but it was also taboo smashing in its content *The Jazz Singer* is all about Jews Orthodox and otherwise Bernstein expounds on the making of *The Jazz Singer* what the film meant then and now introducing the many individuals involved in its production including Samson Raphaelson a young Jewish writer whose short story was the basis for the movie the four Warner brothers who made a fortune off it and George Jessel Jolson s rival and the star of Raphaelson s stage adaptation of his short story In the background emerges a picture of old Hollywood in the Roaring Twenties cutthroat and greedy yet visionary and progressive And while *The Jazz Singer* represented the future in many ways it also dredged up the worst of the past including Jolson s use of blackface common at the time At once a tale of the Judaizing of American culture and an acknowledgment of the challenges to come *Only in America* is a glistening examination of a man at the center of a watershed moment in the arts

The Jazz Singer Robert L. Carringer, 1979 Presents photos and screenplay from the movie *The Jazz Singer* the story of a Jewish entertainer The Talkies Donald Crafton, 1999-11-22 This text offers readers a look at the time when sound was a vexing challenge for filmmakers and the source of contentious debate for audiences and critics The author presents a view of the talkies reception amongst other issues **Style and Meaning** John Gibbs, Douglas Pye, 2005-08-06 With a common focus on the decisions made by filmmakers the essays in this collection explore different aspects of the relationship between textual detail and broader conceptual frameworks These texts reflect not only those areas of film history which have traditionally been explored through mise en scene criticism but also areas such as the avant garde and television drama

which have not tended to receive such detailed investigation In these ways the book conducts a series of dialogues with issues in film study which are specifically provoked by close analysis

The Jazz Singer Richard Woodley, Herbert Baker, Samson Raphaelson, Stephen H. Foreman, 1981-01-01

Blackface, White Noise Michael Rogin, 1996-06-01 The tangled connections that have bound Jews to African Americans in popular culture and liberal politics are at the heart of Michael Rogin's arresting and unnerving book Looking at films from Birth of a Nation to Forrest Gump Rogin explores blackface in Hollywood films as an aperture to broader issues the nature of white identity in America the role of race in transforming immigrants into Americans the common experiences of Jews and African Americans that made Jews key supporters in the fight for racial equality and the social importance of popular culture Rogin's forcefully argued study challenges us to confront the harsh truths behind the popularity of racial masquerade

Children's Films Ian Wojcik-Andrews, 2000 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company

Film Music in the Sound Era Jonathan Rhodes Lee, 2020-03-10 Film Music in the Sound Era A Research and Information Guide offers a comprehensive bibliography of scholarship on music in sound film 1927-2017 Thematically organized sections cover historical studies studies of musicians and filmmakers genre studies theory and aesthetics and other key aspects of film music studies Broad coverage of works from around the globe paired with robust indexes and thorough cross referencing make this research guide an invaluable tool for all scholars and students investigating the intersection of music and film This guide is published in two volumes Volume 1 Histories Theories and Genres covers overviews historical surveys theory and criticism studies of film genres and case studies of individual films Volume 2 People Cultures and Contexts covers individual people social and cultural studies studies of musical genre pedagogy and the industry A complete index is included in each volume

The Young Judaea, 1928

The Jazz Singer Richard Woodley, 1980-01-01

New Historical Literary Study Jeffrey N. Cox, Larry J. Reynolds, Larry John Reynolds, 1993-07 This volume growing out of the celebrated turn toward history in literary criticism showcases some of the best new historical work being done today in textual theory literary history and cultural criticism The collection brings together for the first time key representatives from various schools of historicist scholarship including leading critics whose work has helped define new historicism The essays illuminate literary periods ranging from Anglo Saxon to postmodern a variety of literary texts that includes The Siege of Thebes Macbeth The Jazz Singer and The Chosen Place the Timeless People and central issues that have marked new historicism power ideology textuality othering marginality exile and liberation The contributors are Janet Aikins Lawrence Buell Ralph Cohen Margaret Ezell Stephen Greenblatt Terence Hoagwood Jerome McGann Robert Newman Katherine O Keeffe Lee Patterson Michael Rogin Edward Said and Hortense Spillers The editors introduction situates the various essays within contemporary criticism and explores the multiple contestatory issues at stake within the historicist enterprise

The Reform Advocate, 1926

The Jazz Singers Scott Yanow, 2008 The Jazz Singers The Ultimate Guide is an overview of jazz vocalism This guide

consists of more than 800 profiles that together span the history of jazz from the dawn of commercial recordings to the present day Author Scott Yanow goes beyond the household names to include many other important singers of yesterday and today Book Jacket [The National Jewish Monthly](#) ,1927 [Catalog of Copyright Entries](#) Library of Congress. Copyright Office,1976 **Black Manhood on the Silent Screen** Gerald R. Butters,2002 In early twentieth century motion picture houses offensive stereotypes of African Americans were as predictable as they were prevalent Watermelon eating chicken thievery savages with uncontrollable appetites Sambo and Zip Coon were all representations associated with African American people Most of these caricatures were rendered by whites in blackface Few people realize that from 1915 through 1929 a number of African American film directors worked diligently to counter such racist definitions of black manhood found in films like D W Griffith s *The Birth of a Nation* the 1915 epic that glorified the Ku Klux Klan In the wake of the film s phenomenal success African American filmmakers sought to defend and redefine black manhood through motion pictures Gerald Butters s comprehensive study of the African American cinematic vision in silent film concentrates on works largely ignored by most contemporary film scholars African American produced and directed films and white independent productions of all black features Using these race movies to explore the construction of masculine identity and the use of race in popular culture he separates cinematic myth from historical reality the myth of the Euro American controlled cinematic portrayal of black men versus the actual black male experience Through intense archival research Butters reconstructs many lost films expanding the discussion of race and representation beyond the debate about good and bad imagery to explore the construction of masculine identity and the use of race as device in the context of Western popular culture He particularly examines the filmmaking of Oscar Micheaux the most prolific and controversial of all African American silent film directors and creator of the recently rediscovered *Within Our Gates* the legendary film that exposed a virtual litany of white abuses toward blacks *Black Manhood on the Silent Screen* is unique in that it takes contemporary and original film theory applies it to the distinctive body of African American independent films in the silent era and relates the meaning of these films to larger political social and intellectual events in American society By showing how both white and black men have defined their own sense of manhood through cinema it examines the intersection of race and gender in the movies and offers a deft interweaving of film theory American history and film history [Oscar Wars](#) Michael Schulman,2023-02-21 The author of the New York Times bestseller *Her Again* Becoming Meryl Streep returns with a lively history of the Academy Awards focusing on the brutal battles the starry rivalries and the colorful behind the scenes drama America does not have royalty It has the Academy Awards For nine decades perfectly coiffed starlets debonair leading men and producers with gold in their eyes have chased the elusive Oscar What began as an industry banquet in 1929 has now exploded into a hallowed ceremony complete with red carpets envelopes and little gold men But don t be fooled by the pomp the Oscars more than anything are a battlefield where the history of Hollywood and of America itself unfolds in dramas large

and small The road to the Oscars may be golden but it s paved in blood sweat and broken hearts In Oscar Wars Michael Schulman chronicles the remarkable sprawling history of the Academy Awards and the personal dramas some iconic others never before revealed that have played out on the stage and off camera Unlike other books on the subject each chapter takes a deep dive into a particular year conflict or even category that tells a larger story of cultural change from Louis B Mayer to Moonlight Schulman examines how the red carpet runs through contested turf and the victors aren t always as clear as the names drawn from envelopes Caught in the crossfire are people their thwarted ambitions their artistic epiphanies their messy collaborations their dreams fulfilled or dashed Featuring a star studded cast of some of the most powerful Hollywood players of today and yesterday as well as outsiders who stormed the palace gates this captivating history is a collection of revelatory tales each representing a turning point for the Academy for the movies or for the culture at large **Vogue** ,1925

Right here, we have countless ebook **The Jazz Singer** and collections to check out. We additionally allow variant types and with type of the books to browse.
