*Commentary on the Book of Enoch* John D. Ladd,2008-06 Fifty years after James Bruce brought a copy of the Book of Enoch found in Ethiopia to England Richard Laurence made a first modern translation Later R H Charles made another translation using some Greek excerpts and more Ethiopian texts Then recently Michael A Knibb using many texts and partial texts put together an adequate translation Yet all of these translations are rough obscure and confusing to Christians of today The Dead Sea Scrolls contained many copies and partial copies of the Book of Enoch In the Dead Sea scrolls there were found 17 copies Comparitively there were 30 copies of Psalms 25 copies of Deuteronomy 19 of Isaiah 15 of Genesis and Exodus 14 Of Jubilees Jude validated The Book Of Enoch with his quote from it Using all of the sources now available along with an in depth study of book I have prepared this paraphrase translation Along with such I have included an commentary to help in its comparison with the Bible John D Ladd was raised the son of an Assemblies of God pastor He attended Northeast Bible College in Pennsylvania and later Malone College in Canton Ohio He pastored for many years was ordained in the Assemblies of God but later left to pastor independent churches Preferring teaching to preaching he has spent many years studying reading books from the early church period and translating paraphrasing them for ease of use by Christians of today This book of Enoch s has been translated paraphrased and now is being given commentary to compare it with the Bible s message to test it by the Word of God How does it compare Is it in agreement with the message and prophetic teachings of the Bible      *The Historical Jesus* Gary R. Habermas,1996 Rev ed of Ancient evidence for the life of Jesus Includes bibliographical references and index      **Secret Scrolls** Robert M. Price,2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven t bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one s religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one s faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown s notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating

history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls *Gospel Thrillers* Andrew S. Jacobs,2023-11-30 What if the original teachings of Jesus were different from the Bible's sanitized orthodox version What covert motivations might inspire those who decide what the text of the Bible says or what it means For some who ask conspiratorial questions like these the Bible is the vulnerable victim of secular forces seeking to divest the USA of its founding identity For others the biblical canon suppresses religious truths that could upend the status quo Such suspicions surrounding the Bible find full expression in *Gospel Thrillers* a 1960s fictional genre that endures and still commands a substantial following These novels imagine a freshly discovered first century gospel and a race against time to unlock its buried secrets They also reflect the fears and desires that the Bible continues to generate Andrew Jacobs reveals in his authoritative examination how this remarkable fictional archive opens a window onto disturbing biblical anxieties *The Jesus Scroll* Craig Etchison,2008-03 The earliest Gospel Mark was written over thirty years after Jesus's death Matthew and Luke were written decades later All are colored by specific historical contexts and were not selected for the official New Testament until the fourth century What if we could strip away faulty memories and theological predispositions of the authors What if we could strip away myths added from other religions in an attempt to make Jesus appear more divine What if we could strip away accretions of later years that have little to do with the historical Jesus What message might shine through *The Jesus Scroll* attempts to deduce the essence of Jesus's teachings through a personal journal Jesus might have written revealing that social justice is the only meaningful worship of God and dedication to peace and nonviolence through love of all creation the only meaningful mechanism for demonstrating love of the Creator **The Left Hand of the Biblical Gods** Carlton Morris,2024-09-30 The Left Hand of the Biblical God refers to the myths customs rituals ceremonies and sacrifices performed by religious organizations that are the shields that hide the true identity of both the benevolent Lord God and Jehovah the vindictive God of Abraham It is a saga of their genetic bloodlines that of the Lord God through Adam and that of Jehovah through his son Isaac It is a realistic look at the civilized society of man before the flood and a critical critique of the recorded death suffering trials and tribulations of the Jewish people after the flood *The Left Hand of the Biblical God* is a new and different perspective on the identity of the biblical gods and their relationship with man an analysis of the Christian Bible and the reality of organized religion It is a perspective that will never be heard preached from the pulpit or taught in Sunday school *The Dead Sea Scrolls* Arthur E. Palumbo,2004 Who wrote the Dead Sea Scrolls Paleographical dating has tended to downplay the Scrolls' importance and to distance them from the personages of earliest Christianity but a carefully worked out theory based on radiocarbon dating and other tests connects *The Scroll* Donald Nassr,1997 **The Dead Sea Scrolls and the Christian Myth** , **The Jesus Papyrus** Matthew D'Ancona,2000-02-15 In 1901 the Reverend Charles B Huleatt acquired three pieces of a New Testament

manuscript on the murky antiquities market of Luxor Egypt He donated these papyrus fragments to his alma mater Magdalen College in Oxford England where they sat in a display case and drew very little attention Nearly a century later the fragments part of the Gospel of Matthew and thought to date from a d 180 200 were reevaluated by scholar Carsten Peter Thiede His research showed the bits of papyrus to be significantly older written about a d 60 But what is all the fuss about How can three ancient papyrus fragments be so significant How did Thiede arrive at this radical early dating And what does it mean to the average Christian Now readers have authoritative answers to these pivotal questions in a book written by Thiede himself and by Times of London journalist Matthew d Ancona who originally broke the story to the public Indeed the Magdalen Papyrus corroborates three traditions Saint Matthew actually wrote the Gospel bearing his name he wrote it within a generation of Jesus death and the Gospel stories about Jesus are true Some will vehemently deny Thiede s claims others will embrace them but nobody can ignore THE JESUS PAPYRUS **Jesus and the Dead Sea Scrolls** James H. Charlesworth,1992 In the latest volume of the distinguished Anchor Bible Reference Library the author of Jesus Within Judaism explains why the Dead Sea Scrolls have been called the greatest archaeological find of the millennium and how they have revolutionized our understanding of Jesus of Nazareth Photographs and drawings **Jesus & the Riddle of the Dead Sea Scrolls** Barbara Elizabeth Thiering,1992 A renegade scholar s revelation of how the Scrolls disclose Jesus real life story as encoded in the Gospels Back cover *The Christ of God* Charles Holbrook Mann,1897 [The Five Exotic Scrolls of the Hebrew Bible \(the Scroll of the Song of Songs, the Scroll of Ruth, the Scroll of Lamentations, the Scroll of Ecclesiastes, the Scroll of Esther\)](#) Jerry A. Gladson,2009 This work is a comprehensive advanced introduction to the five books or scrolls in the Hebrew Bible that constitute the Megilloth a distinctive minor collection within the canon of the Hebrew Bible *The Dead Sea Scrolls* Dr. J. Randall Price,2014-07-14 The discovery of the Dead Sea Scrolls is one of the most important archaeological finds ever for Christians This find confirms that the Bible was translated accurately over the centuries The scrolls also tell us about life at the time of Jesus and the New Testament Dead Sea Scrolls includes the story of how the scrolls were discovered a map time line photos of the caves where they were discovered and photos of the scrolls themselves The Dead Sea Scrolls are a fascinating source of material regarding biblical times and the scrolls hold even greater importance to Christians The Dead Sea Scrolls tell us The reliability of Old Testament translation over the years Interesting information on the culture and times of Jesus Christ What the people of Jesus time expected from the Messiah The Dead Sea Scrolls examines the discovery of the oldest known copies of portions of the Old Testament These ancient documents confirm the accuracy of modern Bible translations but what were they doing hidden in caves in Qumran Who were the people who hid them there What do these scrolls reveal about Jewish history the Old and New Testaments and early Christianity The Dead Sea Scrolls investigates the amazing discovery Includes a map of the region a time line and photos of caves and parchment scrolls Includes insights on the Isaiah Scroll and other key discoveries The pamphlet reveals What we know about the site How the scrolls reveal the

accuracy of Old Testament Bible translation over the centuries What the scrolls reveal about Jewish history What the scrolls reveal about early Christianity What the scrolls reveal about the New Testament *The Sacred Writings of the Apostles and Evangelists of Jesus Christ* ,1882 *Buried History* ,1973
