The Jesus Way:

The Jesus Way Eugene H. Peterson, 2009-03-01 Christianity *Choosing the Jesus Way* Angela Tarango, 2014-04-21

Choosing the Jesus Way uncovers the history and religious experiences of the first American Indian converts to Pentecostalism Focusing on the Assemblies of God denomination the story begins in 1918 when white missionaries fanned out from the South and Midwest to convert Native Americans in the West and other parts of the country Drawing on new approaches to the global history of Pentecostalism Angela Tarango shows how converted indigenous leaders eventually transformed a standard Pentecostal theology of missions in ways that reflected their own religious struggles and advanced their sovereignty within the denomination Key to the story is the Pentecostal indigenous principle which encourages missionaries to train local leadership in hopes of creating an indigenous church rooted in the culture of the missionized In Tarango s analysis the indigenous principle itself was appropriated by the first generation of Native American Pentecostals who transformed it to critique aspects of the missionary project and to argue for greater religious autonomy More broadly Tarango scrutinizes simplistic views of religious imperialism and demonstrates how religious forms and practices are often mutually influenced in the American experience

Study Guide Eugene H. Peterson, Peter Santucci, 2007-06-11 The third book in Eugene Peterson's momentous five volume conversation on spiritual theology *The Jesus Way* considers the way of the Lord that became incarnate and complete in Jesus. Arguing that the way Jesus leads and the way we follow are symbiotic, Peterson challenges the ways of the contemporary American church showing how they often obliterate what is unique in the Jesus way. This helpful study guide is designed to enable small groups in schools or churches or even individuals to delve deeper into the timely wisdom of *The Jesus Way*. Peterson's discussion is broken up here into eleven sessions each of which contains a summary, a list of key adjectives, quotations to consider, and questions for interaction ending with a select prayer from one of several traveling companions on the Jesus way.

[The Buddha-Christ as the Lord of the True Self](#) Fritz Buri, 1997 This translation of a 1982 volume published in Bern by Paul Haupt Verlag by a Swiss theologian with a longstanding interest in dialogue between Buddhism and Christianity features an examination of the Kyoto school of Japanese philosophers who attempted to engage with both Christianity and secular West.

What is God's Mission in the World and How Do We Join It? Juan Francisco Martinez, Jamie Pitts, 2021-03-30 What does God's mission look like? Who is supposed to carry it out and how? Juan F. Martinez and Jamie Pitts lead us on an inquiry into God's mission in the world: what it is, what it is not, and who is invited to be part of it. If Jesus is truly God's mission incarnate, we need to look at what Jesus did and how he did it. Martinez helps readers understand what mission means, why Christians in the past have made missteps, and how we can learn from Christian communities that are spreading the good news of Jesus today. Doing mission in the way of Jesus may look different from what many assume, but it is a call that the church cannot afford to miss.

What Is the Bible and How Do We Understand It? Dennis R. Edwards, 2019-10-15 The *Jesus Way* series helps readers encounter big questions about the reign of God in the world. Concise and practical books deeply rooted in Anabaptist theology. Start small.
