The Jews Of Hope:

The Jews of Hope Martin Gilbert, 1984 The God of Hope Dan R. Dick, Dr. Joel F. Drinkard, 2013-10-08 Everyone experiences feelings of hopelessness and sometimes those dark feelings seem like they will linger forever Hopelessness can arise when dealing with family or friends or perhaps with the loss of a job the end of a relationship or the beginning of a tough financial season In times of great distress our God brings us comfort compassion and of course hope The God of Hope guides our hearts helping us find hope and healing in His word God s hope for individuals humanity and the world fill the pages of the Bible and stories of His work in our hearts when hope seems to fail are endless Full Scripture passages and reflections drawn from every book of the Bible will offer readers a deeper understanding of the hope God offers to us daily Each author explains the historical and theological aspects of God s blessings of hope so we can better apply His Word to every situation For the reader who needs help seeing the light at the end of the tunnel The God of Hope is the perfect choice Features include Scripture passages and reflections from each book of the Bible Historical theological and practical exploration of hope The Jews of Hope: the Plight of Soviet Jewry Today M. Gilbert, 1985 Hope and Otherness: Christian Eschatology and Interreligious Hospitality Jakob W. Wirén, 2017-11-01 In Hope and Otherness Jakob Wirén analyses the place and role of the religious Other in contemporary eschatology In connection with this theme he examines and compares different levels of inclusion and exclusion in Christian Muslim and Jewish eschatologies He argues that a distinction should be made in approaches to this issue between soteriological openness and eschatological openness By going beyond Christian theology and also looking to Muslim and Jewish sources and by combining the question of the religious Other with eschatology Wirén explores ways of articulating Christian eschatology in light of religious otherness and provides a new and vital slant to the threefold paradigm of exclusivism inclusivism and pluralism that has been prevalent in the theology of religions Jakob Wirén s study pushes forward the frontiers of three disciplines all at the same time theology of religions comparative religions and eschatology This is a challenging and important book Gavin D Costa University of Bristol Professor of Catholic Theology 2017 This book explores of the status of religious others in Christian eschatology and of eschatology itself as a privileged place for reflecting on religious otherness Wirén mines not only Christian but also Jewish and Muslim sources to develop an inclusive eschatology Hope and Otherness thus represents an important contribution to both theology of religions and comparative theology Catherine Cornille Boston College Professor of Comparative Theology 2017 **Choosing Hope** David Arnow, 2022-03 2023 Reference Book of the Year from the Academy of Parish Clergy Throughout our history Jews have traditionally responded to our trials with hope psychologist David Arnow says because we have had ready access to Judaism s abundant reservoir of hope The first book to plumb the depths of this reservoir Choosing Hope journeys from biblical times to our day to explore nine fundamental sources of hope in Judaism Teshuvah the method to fulfill our hope to become better human beings Tikkun Olam the hope that we can repair the world by working together

Abraham and Sarah models of persisting in hope amid trials Exodus the archetype of redemptive hope Covenant the hope for a durable relationship with the One of Being Job the hard fought hope that brings a grief stricken man back to life World to Come the sustaining hope that death is not the end Israel high hope activists work to build a just and inclusive society for all Israelis Jewish Humor hope s last weapon in our darkest days Grounded in a contemporary theology that situates the responsibility for creating a better world in human hands with God acting through us Choosing Hope can help us both affirm hope in times of trial and transmit our deepest hopes to the next generation
