**The Book of Joshua** Rev. Norman Holmes,2015-04-17 Soldiers in battle nations at war families and tribes living in a new land how is this all relevant for us Rev Norman Holmes will show how the Book of Joshua has many important spiritual parallels and prophetic applications for today Join us as we study the following topics and many more Obtaining our inheritance in Christ Why we are the Joshua Generation Fighting our battles in the heavenlies How God turns curses into blessings Experiencing the crucified life Why getting the blessing is not enough Obtaining a circumcised heart How to multiply your ministry The Joshua Inheritance Mark Bles,1992 **Possessing the Inheritance** Malcolm C. Davis,2013 *Sit At My Right Hand'* Benjamin D. Giffone,2016-10-20 Benjamin is portrayed in Chronicles differently from how he is portrayed in the Deuteronomic History In the latter Benjamin s relation to Judah is shown as varied and complex incorporating both highs and lows The Chronicler by contrast smooths over these difficulties by emphasizing the historically close relationship between the two tribes Benjamin D Giffone sees in this evidence that the Judah Benjamin relationship reflects the socio political situation of late Persian Yehud in which the relatively poor Jerusalem cult struggled to maintain material support from landed nobility in the region Material evidence shows that the historically Benjaminite regions prospered during the Neo Babylonian and early Persian periods The Jerusalem cult competed with cultic locations known for their alliances with either Benjamin or Joseph for the support of wealthier landowners It is within the context of this struggle for support that the Chronicler rewrote Israel s narrative partly to garner Benjaminite support Giffone synthesizes observations that are literary and historical to reveal a literary phenomenon the differing portraits of Benjamin and situate this within the historical context of Persian Yehud In so doing Giffone offers a new understanding of Yehud during this period and elaborates an important motif in these two sections of the Hebrew Bible **Joshua and the Promised Land** Russell M. Stendal,2019-07 Joshua and the Promised Land is an insightful analysis of the conditions required for God s people to cross the Jordan River enter the Promised Land and win their battles The types and figures from the book of Joshua are key foreshadows of what is required for us to enter into the fullness of our God given inheritance and blessing today **Joshua** Charles U.
