The Naked Angels:

The Naked Angels Anthony Grey,1991 *Naked Angels* John Tytell,2006-01-19 Jack Kerouac Allen Ginsberg and William S Burroughs their emergence in the late 1950s as the leading figures of the Beat movement marked one of the most spectacular developments in post World War II American literature John Tytell s classic study examines their attempt to redefine a complacent society s notion of sanity and normalcy and to reinvent their own lives through jazz drugs and law breaking acts that ultimately led to new forms of expression A fascinating blend of literary and social criticism history and biography *Naked Angels* is an indispensable introduction to the lives and work of these seminal figures and an unsurpassed look at the powerful influence they had on the 1960s and beyond **Naked Angels.** Klaus Gerhart,2003-02 **Hoodlum Movies** Peter Stanfield,2018-07-13 From *The Wild Angels* in 1966 until its conclusion in 1972 the cycle of outlaw motorcycle films contained forty odd formulaic examples All but one were made by independent companies that specialized in producing exploitation movies for drive ins neighborhood theaters and rundown inner city theaters Despised by critics but welcomed by exhibitors denied first run films these cheaply and quickly produced movies were made to appeal to audiences of mobile youths The films are repetitive formulaic and eminently forgettable but there is a story to tell about all of the above and it is one worth hearing *Hoodlum Movies* is not only about the films its focus is on why and how these films were made who they were made for and how the cycle developed through the second half of the 1960s and came to a shuddering halt in 1972

New York Magazine ,1992-05-25 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Authentic Patriotism* Stephen P. Kiernan,2010-05-06 *Authentic Patriotism* presents a provocative inspiring account of our neglected American ideals and the people who are living them today Patriotism has become a loaded word one that is wielded against people with whom we might disagree or whose cultural origins don t match our own But our founding fathers Washington Jefferson Adams and others saw patriotism as a dynamic force an act of service in an evolving nation that defined its purpose by offering all people a better way of life In *Authentic Patriotism* author and award winning journalist Stephen P Kiernan explores the original ideals that have been lost in our current climate where war and economic turmoil have eroded our sense of civic obligation Kiernan describes a nation adrift out of touch with its origins and then introduces a range of inspiring people who have revived our national purpose by taking action The out of work college graduate who led an economic and environmental renewal of her blighted home community The retired executive who pioneered a revolutionary concept in health care for people without insurance The minister who created a legendary choir with the goal of uniting children of different races genders and classes in one voice The family who donated their daughter s
