

A still life scene with books, a vase of flowers, and a candle on a wooden table. The scene is dimly lit, with a warm, golden light source from the right. In the foreground, a wooden table holds several books, some stacked and some open. A vase with green leaves and small white flowers sits in the center. To the right, a candle in a holder is visible, along with more books. The background is dark, making the objects stand out.
