*THE HOUR MAGAZINE COOKBOOK* GARY COLLINS ,1985      **Reaching Your Goals** Anne Courtright,2009-04-23

Teens don t often realize that their daydreams can be transformed into real accomplishments If they take those dreams seriously and turn thoughts into action even some of the wildest notions can become reality Reaching Your Goals The Ultimate Teen Guide show readers how important setting goals can be to accomplishing whatever they want to Through the use of No Sweat Quizzes and other unique methods such as creative visualization and affirmations Anne Courtright provides teens with the tools to help them achieve not only short term goals but to realize their greatest potential Filled with commentary from notable figures in sports music film and business this book also shows teens how to turn failures into positive stepping stones to future success Through examples activities and sample action plans Reaching Your Goals The Ultimate Teen Guide will help teens map their own paths to success both in school and life      [Kiplinger's Personal Finance](#) ,1984-10 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics      **Celebrating the Single Life** David Yount,2009-02-24 American society is no longer defined by marriage Today an increasing majority of American households are headed by single men and women Even those Americans who do marry spend at least half of their adult lives alone Living on one s own presents unique challenges depending on one s age health and circumstances So the script for successful single living calls for different strategies for young adults the recently divorced single parents and those widowed or experiencing single life in later adulthood Here Dr Yount considers each group s special needs and challenges and offers a guide for leading a productive

rewarding and fulfilling single life Single living he contends requires some core abilities overcoming loneliness reaching out to others developing faith in oneself and self respect keeping up with daily activities and maintaining good health security and a sense of humor This book helps readers learn to celebrate their single status and to find contentment and peace while living on their own These days if you are unmarried and pining for romance you are in a small minority Until recently most Americans considered single life to be a temporary situation during which one would simply wait for a soul mate to come along Those who remained unwed were pitied as bachelors and spinsters No longer These days most single men and women find autonomy in negotiating their way through life by relying on their own resources with marriage remaining one option but not an imperative Even those who do marry are getting married later and those who divorce or are widowed often choose to stay single With this trend toward singlehood increasing affirming the single life and making a success of it becomes all the more important Yount offers advice for creating a gratifying and happy single life at any stage and provides insight into those things that can contribute to a satisfying single lifestyle He pinpoints areas that often get ignored by singles and proposes solutions to some of the pitfalls that can lead to loneliness or unhappiness Leading a fulfilling single life is not only possible it can in fact be rewarding in itself and Yount shows readers how to lead productive and creative lives as modern singles
