- 2 What will I do to help students effectively interact with new knowledge
- 3 What will I do to help students practice and deepen their understanding of new knowledge
- 4 What will I do to help students generate and test hypotheses about new knowledge
- 5 What will I do to engage students
- 6 What will I do to establish or maintain classroom rules and procedures
- 7 What will I do to recognize and acknowledge adherence and lack of adherence to classroom rules and procedures
- 8 What will I do to establish and maintain effective relationships with students
- 9 What will I do to communicate high expectations for all students
- 10 What will I do to develop effective lessons organized into a cohesive unit
