The Subversive Family:

Subversive Family Ferdinand Mount, 2010-06-15 British politician and writer Ferdinand Mount challenges contemporary beliefs about society and family including the history of divorce childcare and the concept of the nuclear family In Subversive Family politician and writer Ferdinand Mount argues that society is shaped by a series of powerful revolutionary movements the leaders of which whether they be political ideologues theologians feudal lords or feminist writers have done their utmost to render the family a subordinate instrument of their purpose but that in spite of it all the family endures Mount maintains that many widely held contemporary beliefs about the family are based on a willful misreading of the evidence among the myths are that arranged marriages were the norm until this century that child care is a modern innovation that in earlier societies children were treated as expendable objects that the nuclear family is not a 20th century invention and that romantic love never existed before the troubador poets glorified adultery Divorce he contends is no great novelty either he shows that in many times and places it has been almost as easy to obtain as it is today Far from diminishing the general desire and respect for family life Mount contends that the provision for divorce has been popularly regarded as an integral part of any sensible system of family law This study should jolt the reader into a re assessment of one of the most familiar and ancient institutions and encourage greater consideration for policies today that support the family **The Subversive**

Family Ferdinand Mount, 1995-01-29 The Invincible Family Kimberly Ells, 2023-02-14 Socialists and feminists have long targeted the family as an enemy even the enemy For socialists the family is an obstacle to the full power of the progressive state For feminists the family denies female independence and equality Today however the battle has grown even fiercer as socialists and feminists have found a global ally in the United Nations which is using its extraordinary power to undercut the authority and the sanctity of the family around the world even in the United States International policy advisor Kimberly Ells exposes this unholy alliance between globalist liberals feminists and socialists and unveils the shocking harm being done right now to women and children in America and around the world Amazon com **The Last Door** Gladys I.

McCormick, 2025-05-06 As guerrilla groups sprouted up across Mexico in the early 1970s the military and police routinely resorted to extreme acts of violence including the systematic use of torture In The Last Door Gladys McCormick provides the most thorough account of how torture became a crucial and routine practice of the Mexican government's war against subversives Drawing from extensive oral history interviews and declassified government documents McCormick describes experiences of arrest torture and detention in which forced disappearances became all too common and advocates for justice rallied around political prisoners Torture was not always about extracting information it was also about inflicting punishment on a faceless so called enemy and instilling terror into advocates of social change As McCormick argues torture became a quotidian practice of state making in Mexico during the 1970s leaving individuals and their families forever changed The lack of repercussions for government officials notorious for employing torture even in spite of a growing movement for truth and

Deddo,1999 A detailed study of how theologian Karl Barth 1886 1968 comprehended the connections between the Christian doctrine of God the doctrine of humanity and Christian ethics a triad of concepts that the author refers to as Barth s theology of relations He examines Barth s writings on parents and children to discuss Barth s ethics generally and argues for the relevance of Barth s theology of relations to contemporary family issues Annotation copyrighted by Book News Inc Portland OR **Democracy and Liberty** William Edward Hartpole Lecky,1896 The Rebel of the Family Elizabeth Lynn Linton,1880 **Public Family** David J.
