The Three Coffins:

The Hollow Man John Dickson Carr, 2012-11-29 The most famous of all locked room mysteries a classic in the crime genre If you like the new KNIVES OUT film WAKE UP DEAD MAN you ll love this The sheer ingenuity of the plot is a delight Daily Mail The first deadly walking of the hollow man took place when the side streets of London were quiet with snow and the three coffins of the prophecy were filled at last The murderer of Dr Grimaud walked through a locked door shot his victim and vanished He killed his second victim in the middle of an empty street with watchers at each end yet nobody saw him and he left no footprints in the snow And so it is up to the irrepressible larger than life Dr Gideon Fell to solve this most famous and taxing of locked room mysteries

The Three Coffins John Dickson Carr, 2024-10-29 Professor Charles Grimaud is found dead in his study just moments after his housekeeper watched him greet a mysterious visitor and welcome him into the room Yet no sign of the murderer or murder weapon can be found The housekeeper saw no one leave through the door and the snow outside the only window remains unblemished An equally puzzling murder has occurred outside in the middle of the street The illusionist Pierre Fley was walking alone in a snow covered cul de sac when witnesses heard someone shout The second bullet is for you followed by a gunshot He is found dead with the revolver that killed both Grimaud and himself by his side and no footprints in the surrounding snow but his own It appears that both murders must have been committed by a specter someone not only invisible but lighter than air But if anyone can find a rational explanation it is brilliant amateur sleuth Dr Gideon Fell In a 1981 survey of mystery experts The Three Coffins called The Hollow Man in the UK was voted the best locked room mystery of all time It is also celebrated for a scene in which Carr s iconic detective Gideon Fell delivers a speech expounding upon the dozens of methods and variations by which apparently impossible murders may be accomplished Any fan of locked room mysteries and impossible crimes should consider this book required reading

The Coffin of Hegata Harco Willems,1996 The coffin published in this book represents a type that had some popularity in southern Upper Egypt in the early Middle Kingdom but which despite its extraordinary decoration had not attracted attention so far The most striking feature of the decoration is that the object friezes the pictorial rendering of ritual implements usually found on coffin interiors of the period also include complete ritual scenes some of which are attested only here Apart from this the decoration includes an extensive selection of the religious texts know as the Coffin Texts The author first studies the archaeological context and dating of the coffin and attempts a reconstruction of the construction procedures from his technical description of the monument The detailed account of the decoration in the rest of the book interprets the ritual iconography and offers fresh translations and interpretations of the Coffin Texts A methodological innovation is that he regards the scenes and texts not as individual decoration elements but as components of an integral composition The background of this composition is argued to be a view of life in the hereafter in which the deceased is involved in an unending cycle of ritual action which reflects the funerary rituals that were actually performed on earth On the one hand these netherworldly rituals aim at bringing the deceased to new life by mummification on the other the newly regenerated deceased partakes in embalming rituals for gods representing his dead father Osiris or Atum These gods in their turn effectuate the deceased s regeneration The entire process results in a cycle of resuscitation in which the afterlife of the deceased and of the father gods are interdependent The sociological bias of this interpretation with its emphasis on kinship relations differs significantly from earlier attempts to explain Egyptian funerary religion
