## **The Today Show:**

**The Today Show** Cathleen M. Londino, 2016-11-15 In the early 1950s when television networks did not broadcast regular programming before 11 a.m. radio and newspapers were the most popular and reliable ways for Americans to get their morning news. Then Sylvester Pat Weaver, vice president of programming at NBC, pitched a bold new concept to the network: a two-hour early morning news show that would run Monday through Friday starting at 7 a.m. By developing Today, Weaver filled a programming void before viewers even realized there was one and revolutionized the viewing habits of millions. In *The Today Show: Transforming Morning Television*, Cathleen M. Londino provides an entertaining and informative look at the first twenty-five years of NBC's innovative program from 1952 through 1977. Focusing on Today's broadcast history, the personalities instrumental to the show's success, and the show's contributions to the entertainment industry, this account illustrates how the evolution of Today closely paralleled the development of the broadcast industry and rise of the major networks. In addition to chronicling the show's history, the author profiles some of the key players both behind and in front of the camera, including Dave Garroway, Barbara Walters, Tom Brokaw, and Jane Pauley. The vision of morning news developed by Weaver more than sixty years ago endured far beyond his wildest expectations, establishing a model that would eventually be adopted not only by competing networks but also by television programmers around the globe. *The Today Show: Transforming Morning Television* is a fascinating account of the unprecedented success of this influential program and will appeal to anyone interested in television history.

**From Yesterday to TODAY** Stephen Battaglio, 2012-01-12 When Dave Garroway welcomed viewers to Today on that day in 1952, he ushered in a new era in broadcasting. It was a place where viewers could turn to each morning to satisfy their appetite for all things news and information. It was a destination for the curious to learn more about what had happened overnight and how the day ahead might shape up. And they would see and hear it all from the best storytellers in broadcasting. Throughout the history of television, there has been nothing quite like NBC's Today. Ever since the brilliant and innovative TV network executive Pat Weaver conceived the idea of broadcasting a national newspaper of the air, Today has chronicled the triumphs and tragedies of our times through personalities that viewers have trusted and admired. With dozens of never-before-published photographs, *From Yesterday to TODAY* offers an insightful and entertaining history of America's favorite morning show from its experimental beginnings with Dave Garroway and a chimpanzee named J. Fred Muggs to its enduring success in the 21st century with co-anchors Matt Lauer and Ann Curry. Through personal recollections from Today family members such as Barbara Walters, Tom Brokaw, Jane Pauley, Bryant Gumbel, Katie Couric, Willard Scott, Matt Lauer, Al Roker, Meredith Vieira, and Ann Curry, *From Yesterday to TODAY* will take you on the unique journey traveled by those who reported the news, reflected on cultural trends, and provided comfort to a nation of viewers often before they had that first cup of coffee. For more than sixty years, Today has delivered the public their first glimpse at the new ideas, political leaders, and social upheaval that shaped our lives. It has

remained a constant in a dynamic medium that evolved from grainy black and white images to the computer screen It has reminded us of the joy of living and why it is worth getting up each day **The Today Show** Cathleen M.
