The Torch Bearer:

The Torch Bearer Elewechi Ngozi Okike, 2013 The Torch Bearer is an incredible story of survival and resilience in the face of a life threatening illness Elewechi paints a vivid picture of how shocked she was when she woke up one morning and found a lump in her breast and the drama that unfolded Prior to the breast cancer diagnosis Elewechi rejected an opportunity to be one of the Torch Bearers to carry the Olympic Torch as part of the preparations for the London 2012 Olympics She shares how she had researched the history behind the games and why she chose not to be a Torch Bearer in this instance While she was musing over how on earth she could have missed such a once in a life time opportunity to be part of history as an Olympic Torch Bearer she suddenly found herself facing a life threatening illness cancer which is a disease that most people would rather not want to be associated with Everyone dreads the thought of being diagnosed with cancer To make matters worse in Elewechi s case it was not the type of cancer that was common Her case was further published in a medical research journal referred to in the book So how do you shine your light in other words carry your torch for all to see like an Olympic Torch Bearer in the face of a life threatening disease Appropriately The Torch Bearer was birthed out of the great opportunity that was missed to be an Olympic Torch Bearer But through the experiences shared in the book Elewechi helps the reader to appreciate the importance and the significance of being Torch Bearers even in the most difficult and dark places in life She draws attention to the fact that our ability to shine our light at such times has a higher level impact than carrying the physical Olympic Torch In this unique and moving book The Torch Bearer Elewechi takes the reader through a private and daunting journey which many make but almost always remains unspoken She provides a detailed account of her journey from the moment she discovered the lump in her breast to the end of her treatment But how do you have cancer and no body in your place of work knows about it Usually when people are diagnosed with cancer it appears as though their world had collapsed and come to an end But the most incredible aspect of Elewechi s story is about her resilience in the face of this illness She writes about how she determined that the illness as dreadful as it was would not disrupt her life So she went about her business as normal Her work colleagues had no idea of the personal challenges she was facing In this book Elewechi provides deep insights into the different challenges that people face in their lives although outwardly they appeared to be as normal as possible She admonishes us to have a more caring and sympathetic attitude towards others because there s always more than the eye can see Find out more about Elewechi s extra ordinary journey of faith and the dramatic events that unfolded as she began and completed her treatment The book reveals that we can still let our lights shine in the dark places of life in spite of the diagnosis of cancer If you have been diagnosed with cancer or any other life threatening illness or know someone going through such a challenge this book will help them find strength and the courage to stand strong in faith It will show them how to continue to beam their light in spite of whatever they may be facing As God s Torch Bearers He wants us to use the trials and challenges we face in life to help others The Torch Bearer is yet another life story by Elewechi

which appeals to the human nature particularly those people who find themselves in dire straits In her earlier book *The Greatest Debtor to His Love and a Trophy of His Grace* Elewechi had shared the circumstances of her birth and how she had survived abortion escaped abduction rape and murder during the Nigerian Civil War She also shared other incredulous life threatening experiences

The Torch Bearer S Exorcism Linda Luisa Varela Tyhsen,2016-06-30 a sympathetic coming of age story Cheries romantic misadventures are relatable throughout reflecting the experiences of co eds experiencing their first brushes with adult love An often cynical look at college years and romance *The Torch Bearers Exorcism* is a cautionary tale about getting too swept up in what looks like love Clarion Foreword Review *The Torch Bearers Exorcism* starts at the close of the 1980s Cherie is an unusually private and guarded girl with a nonconforming sense of style and a habit of constantly doubting everything around her When she meets David during her first week on campus her emotions go into overdrive Hes exactly what she would have asked for if it were possible to wish people into existence They seem to be two sides of a coin But does he actually care about her David is an outgoing attractive and popular guy with rather a lot more experience in the world than ingnue Cherie Swept up by passion subterfuge confusion and magnetism Cherie must untangle what she feels and whether she can believe his love for her is real This is a story about painful love being a young woman in a less egalitarian time betrayal and overcoming it About learning the hard way that people arent always what they seem or what we hoped they would be About healing and growing into independence <http://www.torchbearersexorcism.com> *The Torch-bearers*

The Torch Bearer Reina Melcher Marquis,2014-05-22 Peter Burnett stood on the top most of the broad white steps leading to the Shadyville Seminary for Young Ladies He had just closed the door of that sacred institution behind him and with a sigh of relief which was incompatible with the honors of his professorship But Peter had never duly valued his position of instructor to Shadyville s feminine youth though his reverence for scholarship was deep and sincere It was Friday afternoon and freed from the chrysalis of his bread winning duties he was about to spread his wings for the flight of his inclination He looked out on the April greenery of the town with the fastidious gaze of one who has the world to choose from for though he was a poor young school master clad in a shirt that had been darned too often he was also a Burnett of Kentucky and born to a manner of leisure and arrogance
