The Touchstone Library Edition:

Routledge Library Editions: Historiography Various,2021-06-23 The greatest problem in historical scholarship theoretically and practically is the relation between historians and their subject matter The past is gone and historians can only study its remnants On what basis do scholars select certain facts from the mass of data left from the past How do they explain the interrelationship of the facts they select What criteria do they use to evaluate their subject The 35 volumes in this set originally published between 1926 and 1990 discuss and answer these essential questions faced by historians The development of historical understanding during the 18th and 19th centuries was one of the most striking features of Western culture Both historiography and historical thinking advanced as never before The historical movement of the 19th century was perhaps second only to the scientific revolution of the seventeenth century in transforming Western thought One consequence was extensive organisation and professionalization of research which the volumes in this set reflect

Routledge Library Editions: Education Management Various,2021-07-29 Reissuing works originally published between 1975 and 1997 this collection includes books covering all aspect of managing schools from primary to further education With an international selection of authors some volumes present case studies while others address wider areas of concern in the management of educational institutions Individual volumes concern special schools and specific types such as the grant maintained system in the UK Topics cross over from finance to staff development to politics and governance to innovation This is an excellent varied set for any education management bookshelf
