*The Triad Imperative* Dwight Martin,1980      *The Triad Imperative* Dwight Martin,1980      **Kant's Groundwork of the Metaphysics of Morals** Jens Timmermann,2007-06-21 This is a paragraph by paragraph commentary on Kant's seminal work of moral philosophy      *As It Is Written and Intended* Jason N. Yuh,2025-09-29 How someone sees Scripture directly correlates with how one sees life If Jesus Christ is seen organically and meaningfully in every part of Scripture then he will be seen that way in every aspect of life As lofty as that might sound the inverse is also true if it is a struggle to see Christ organically and meaningfully in various parts of Scripture then it will be a struggle to see him that way in various aspects of life The purpose of this book is to help readers engage in God's word so that Christ is beheld in every part of both Scripture and life by offering an approach to Scripture that is from Scripture itself Thus the heart of this approach is to engage in God's word as he himself intends As a result readers will see that all of Scripture is grounded saturated and culminating in Christ alone and in turn that all of life is grounded saturated and culminating in Christ alone      *The Design of the Psalter* Peter C. W. Ho,2019-10-04 Good poetry is like a good painting the more you linger over it the more it reveals It is a deep well that never runs dry And that is why the Psalter like a good painting keeps giving In the last four decades Psalms scholarship has found remarkable fruitfulness in reading the Psalter as a book that is in reading the Psalms as a unified composition with a metanarrative across its 150 poems Pivotal questions associated with this approach really boil down to two questions how and why How are individual psalms sequenced if at all and what is the design logic behind that macrostructure This volume seeks to answer those questions In essence the Psalter unfurls the story of the Davidic covenant While interest in the editing of the Psalter remains high in recent Psalms scholarship this interest has not led to clear consensus The specific and timely contribution of this volume is twofold First it consolidates the results of studies on groups of psalms Second it integrates poetic and thematic approaches that are typically separated in Psalms scholarship Readers will find results of this study surprising and their implications sobering      **Department of Defense Authorization for Appropriations for Fiscal Year 2016 and the Future Years Defense Program** United States.
