Huntington and Barbara Heck With Sketches of Their Female Associates and Successors in the Early History of the Denomination To Mes Bishop Hamline And Miss Francis E Willard Ladies In submitting to you the volume which the American Methodist Ladies Centenary Association has through you as their president and secretary requested me to write an apologetic remark is due to both the public and myself A good authority has said that no man can do anything thoroughly in literature or art unless he rides it as a hobby Hobbyism in literature is however particularly obnoxious to criticism to popular criticism at least especially if it inflicts on the public a multiplication of books of substantially the same subject If I incur this risk I cannot blame myself In my historic writings on Methodism I have contemplated but two tasks having concluded the first of these attempts and issued two volumes of the second I had hoped to complete the latter before the present date and then turn to quite other labors But the command of the Centenary Committee to prepare its Centenary Book could not be disobeyed This centenary volume had hardly been published before your command also reached me and here is my response So important is this centenary occasion of Methodism so capable and promising of transcendent results not only to the Church but to the religious welfare of the country generally that I have felt compelled by my conscience to respond to your call The preparation of this small volume has deeply interested me My previous historical studies of earl Methodism have convinced me that no other modern perhaps no ancient section of the Church possessed richer materials for the illustration of female piety and agency in religion than Methodism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

School in Ohio *She Offered Them Christ* Paul W. Chilcote,2001-06-15 Twentieth century United Methodist women will meet some of their female predecessors in this fascinating account of early Methodism For decades the role of women in early Methodism has been overshadowed by that of their male counterparts *She Offered Them Christ* is a piece of United Methodist family history that serves as a link between today s women in The United Methodist Church and their predecessors in the early history of The Methodist Church Women preachers in John Wesley s day had his support encouragement and formal approval to travel and preach Wesley valued the full involvement of women in the life of early Methodism Unfortunately Wesley s support for women was not shared by other male leaders of the movement and shortly after Wesley s death women preachers were censured Paul W Chilcote has collected in one volume the stories of Methodism s early women preachers including excerpts from their diaries and journals and introduces a segment of women s and United Methodist history that will enlighten today s church as it fosters an understanding of John Wesley s appreciation of and support for women in early Methodism Today s United Methodists will find *She Offered Them Christ* to be a rich legacy of John Wesley s power and vision for the role of women in The Methodist Church Wesley s message reached across the decades to provide today s United Methodists especially women with affirmation encouragement and support *The Methodist Defense of Women in Ministry* Paul W. Chilcote,2017-11-10 John Wesley promoted the ministry of women in early Methodism Amazing women like Phoebe Palmer Catherine Booth and Frances Willard founding figures in the holiness movement the Salvation Army and the Woman s Christian Temperance Union claimed biblical precedent for their groundbreaking ministries They withstood the onslaught of criticism and hostility from those who thought they had stepped out of their proper sphere Methodists have championed the cause of women and developed biblical spiritual and practical arguments for their ministry for two and a half centuries More than fifty documents from the history of Methodism chronicle the tortuous journey leading to biblical equality in this family of churches At a time when the ministry of women is under serious attack in a number of quarters yet again we all have much to learn from the witness of Wesleyan Christians who argued for women s ministry This story illustrates how faithful women when they knew they had the Lord s approval stood like the beaten anvil to the stroke Courage Defiance Perseverance Faithfulness These qualities define the Methodist defense of women in ministry **A Challenge** Mrs. Elizabeth Ross,Methodist Church (Canada). Woman's Missionary Society,19?? *The Women of Methodism* Abel Stevens,1871 **The Women of Methodism** Abel Stevens,1876 **Grace Sufficient** Jean Miller Schmidt,1999 Schmidt has tried to achieve a balance between the chronological description and thematic interpretation of Methodist women s history and a more intimate portrait of individual women in this tradition There are powerful stories of faith here that are part of the shared history of Methodist people both women and men As contemporary women struggle with their own sense of call they often resonate in powerful ways with the faith stories of these religious foremothers BOOK JACKET *Women and the shaping of British Methodism* Jennifer M. Lloyd,2013-07-19 A response to the

prominent Methodist historian David Hempton's call to analyse women's experience within Methodism this book is the first to deal with British Methodist women preachers over the entire nineteenth century The author covers women preachers in Wesley's lifetime the reason why some Methodist sects allowed women to preach and others did not and the experience of Bible Christian and Primitive Methodist female evangelists before 1850 She also describes the many other ways in which women supported their chapel communities The book also includes discussion of the careers of mid century women revivalists the opportunities home and foreign missions offered for female evangelism the emergence of deaconess evangelists and Sisters of the People in late century and the brief revival of female itinerancy among the Bible Christians

Women Pioneers in Continental European Methodism, 1869-1939 Paul W. Chilcote, Ulrike Schuler, 2018-08-06 Despite the fact that women are often mentioned as having played instrumental roles in the establishment of Methodism on the Continent of Europe very little detail concerning the women has ever been provided to add texture to this historical tapestry This book of essays redresses this by launching a new and wider investigation into the story of pioneering Methodist women in Europe By bringing to light an alternative set of historical narratives this edited volume gives voice to a broad range of religious issues and concerns during the critical period in European history between 1869 and 1939 Covering a range of nations in Continental Europe some important interpretive themes are suggested such as the capacity of women to network their ability to engage in God's work and their skill at navigating difficult cultural boundaries This ground breaking study will be of significant interest to scholars of Methodism but also to students and academics working in history religious studies and gender
