*Working Mother*, 1998-03 The magazine that helps career moms balance their personal and professional lives **A Mother's Poem** Rhoda Manguerra, 2025-06-12 A Mother's Poem For teens and young adults She's the quiet voice in your corner the steady hand behind the scenes the one who sees the real you even when you don't A Mother's Poem is a heartfelt tribute to the moments between growing up and growing apart and the bond that never really breaks Through honest emotional verses this poem speaks to the strength sacrifice and unconditional love that define what it means to be a mother whether she's right beside you or miles away It's the kind of poem you don't know you needed until it makes you stop remember and maybe even feel a little more understood Perfect for Mother's Day birthdays or just a quiet moment of reflection *Working Mother*, 1998-02 The magazine that helps career moms balance their personal and professional lives

*Male Poets and the Agon of the Mother* Hannah Baker Saltmarsh, 2019-04-23 A thoughtful exploration of male poets contributions to the literature of motherhood In the late 1950s the notion of a mother poem emerged during a confessional literary movement that freed poets to use personal psychosexual material about intimate topics such as parents childhood failed marriages children infidelity and mental illness In *Male Poets and the Agon of the Mother* Hannah Baker Saltmarsh argues that male poets have contributed to what we think of as the literature of motherhood that confessional and postconfessional modes have been formative in the way male poets have grappled with the stories of their mothers and how those stories reflect on the writers and their artistic identities Through careful readings of formative elegies and homages written by male poets of this time Saltmarsh explores how they engaged with femininity and feminine voices in the 1950s and 60s and sheds light on the inheritance of confessional motifs of gender and language as demonstrated by postconfessional writers responding to the rich subject matter of motherhood within the contexts of history myth and literature A foreword is provided by Jo Gill professor of twentieth century and American literature in the Department of English and associate dean

*The Romance of Regionalism in the Work of F. Scott and Zelda Fitzgerald* Kirk Curnutt, Sara A. Kosiba, 2022-09-07 The Romance of Regionalism in the Work of F Scott and Zelda Fitzgerald The South Side of Paradise explores resonances of Southernness in works by American culture's leading literary couple At the height of their fame F Scott and Zelda Fitzgerald dramatized their relationship as a romance of regionalism as the charming tale of a Northern man wooing a Southern belle Their writing exposes deeper sectional conflicts however from the seemingly unexorcisable fixation with the Civil War and the historical revisionism of the Lost Cause to popular culture's depiction of the South as an artistically deprived economically broken backwater the couple challenged early twentieth century stereotypes of life below the Mason Dixon line From their most famous efforts *The Great Gatsby* and *Save Me the Waltz* to their more overlooked and obscure Scott's 1932 story *Family in the Wind* Zelda's *The Iceberg* published in 1918 before she even met her husband Scott and Zelda returned obsessively to the challenges of defining Southern identity in a country in which going south meant decay and dissolution Contributors to this volume tackle a range of Southern topics including belle culture the picturesque and the Gothic Confederate commemoration and race relations and regional reconciliation As the collection demonstrates the Fitzgeralds' fortuitous meeting in Montgomery Alabama in 1918 sparked a Southern renaissance in miniature
