Minstrelsy and Murder Andrew Silver, 2006-02-01 In *Minstrelsy and Murder* Andrew Silver locates the foundation of the South's dark humor in the great and violent cultural upheavals of the nineteenth century Examining the connection between comic victimization and real acts of aggression Silver shows southern humor to be a product not of America's wholeness and national unity but of its internal fears divisiveness and perpetual civil strife He focuses on the work of southern writers Augustus B Longstreet George Washington Harris Charles Chesnut and Mark Twain exploring a strain of regional humor that runs counter to the more familiar American comic tradition A profound distress about class emerges clearly in Silver's reading of Longstreet's Georgia sketches just as Harris's post Civil War stories reveal an escalating anger toward Yankees emancipated African

Americans and upstart women Twain and Chesnutt however mark a turning point for southern humor Silver argues By resisting entrenched comic elements of racist acts of violence and instead using narratives that turn upon and expose the destructive power of racist typing they created humor that both wounds and dares to speak of wounds With engaging critical discussion of race class and gender Silver investigates the cultural fears that southern popular comedy of the 1800s addresses as well as the various forms and voices it employed Yankee humor minstrelsy sentimental fiction political broadsides Ku Klux Klan sketches frontier humor and sadistic slapstick He shows how southern humor as the product of middle class authors who were at once outraged and eminently practical revolutionary and conformist anti authoritarian and craving the approval of authorities evolved into a genre at war with itself stifling laughter by unearthing the trauma at the core of the comic
