

## Grade 3 Narrative Leveled Reader Guide

### Mrs. Post's Science Class

#### General Guidelines

- Choose a book that is somewhat challenging for the student to read on his or her own. A quick assessment will help you identify a book which is suitable for a student. You can use a book from Grade 2 for a Grade 3 student who is struggling with Grade 3 material.
- Depending on the learning competencies you would like for the student to achieve, select activities from the guide below and/or from the Skill Builders in the book. If your focus is on building fluency, give the student many opportunities to practice reading the text. Re-read the same text and use it to teach various strategies until the student can read the leveled reader fluently. The student can then go on to read other texts at a more advanced level.
- Give the student "hands on" work to be completed after the lesson or for homework. You can choose from the guide below and/or the Skill Builders in the book.
