The Punitive Society Michel Foucault, 2018-08-07. These thirteen lectures on the punitive society delivered at the Collège de France in the first three months of 1973 examine the way in which the relations between justice and truth that govern modern penal law were forged and question what links them to the emergence of a new punitive regime that still dominates contemporary society. Praise for Foucault's Lectures at the Collège de France Series: Ideas spark off nearly every page. The words may have been spoken in the 1970s but they seem as alive and relevant as if they had been written yesterday. Bookforum: Foucault is quite central to our sense of where we are. He is carrying out in the noblest way the promiscuous aim of true culture. The Nation: Foucault has an alert and sensitive mind that can ignore the familiar surfaces of established intellectual coded and ask new questions. He gives dramatic quality to the movement of culture. The New York Review of Books.

Money Mindset Of Gen-Z: Building Wealth In The Digital Age Himani Sharma, Vinit Kumar, Gen Z views money through a digital lens learning about investing and wealth building online and starting earlier than previous generations. Using platforms like Robinhood and Coinbase they explore stocks and crypto while also creating income through tools like Shopify and YouTube. For them wealth is less about status and more about freedom, flexibility, and long-term financial independence in the digital age. Gen Z learns about money through digital platforms, social media, and online creators. They start investing early using apps like Robinhood and Coinbase. They prefer multiple income streams such as freelancing, e-commerce, and content creation. Platforms like Shopify and YouTube help them earn independently. They value flexibility, digital skills, and financial freedom over traditional career paths. Wealth for Gen Z means independence, stability, and long-term opportunity.
