Webster and Worcester Dictionary Controversy ,1830 Johnson's and Webster's Verbal Examples Kusujiro Miyoshi,2008-12-19 This book analyses Noah Webster s and Samuel Johnson s use of verbal examples in their dictionaries as a means of giving guidance on word usage The author s major interest lies in elucidating how uniquely Webster who was originally a grammarian made use of verbal examples In order to achieve this purpose the author provides chapters based on types of entry words in their functional contexts Johnson s selection of sources of citations and the frequency of his quoting citations tended to vary strongly according to the type of entry word he also supplied invented examples rather than citations when he thought it especially necessary to clarify the use of a word By contrast with the exception of biblical ones almost all of Webster s citations were taken from Johnson s Dictionary However Webster significantly made full use of such citations to express his view on word usage which differs essentially from Johnson s Besides Webster had a strong tendency to quote phrases and sentences from the Bible for the same purpose **Stone & Webster Journal** ,1930 Notes on the Life of Noah Webster Emily Ellsworth Ford Skeel,1912 **The Writings and Speeches of Daniel Webster: Diplomatic papers and miscellaneous letters** Daniel Webster,1903 *Merriam-Webster's Dictionary of Law* Merriam-Webster, Inc,1996 A search only dictionary on the FindLaw web site that includes 10 000 definitions of legal terms *Stone & Webster Public Service Journal* ,1908 **The Works of Daniel Webster** Daniel Webster,1872 **California.
