Volksm rchen der Kabylen - Das Fabelhafte Leo Frobenius,2025-07-28 Unter dem Titel Atlantis ver ffentlichte der Berliner Ethnologe und Afrikaforscher Leo Frobenius zwischen 1921 und 1928 eine zw lfb ndige Reihe mit Volksm rchen und erz hlungen aus Nord und Westafrika die zu den umfangreichsten Sammlungen afrikanischen Kulturgutes z hlt und als Spiegel afrikanischer Mythologie gilt In diesem dritten Band befasst sich Frobenius mit den Volksm rchen der Kabylen aus dem heutigen stlichen Marokko welche das Fabelhafte zum Thema haben **The Age of Reason** Thomas

Paine,2021-04-29T19:14:01Z The Age of Reason is an important work in the American Deist movement Paine worked on it continually for more than a decade publishing it in three parts from 1794 through 1807 It quickly became a best seller in post Revolution America spurring a revival in Deism as an alternative to the prevailing Christian influence In clear simple and often funny language Paine attempts to dissect the Bible s supposed inaccuracies and hypocrisies He portrays the Bible as a human construct full of illogic errors and internal inconsistencies as opposed to it being a text born of divine inspiration On those arguments he pivots to decrying not just Christianity but organized religion as a whole as a human invention created to terrorize and enslave Instead of accepting organized religion he states that his mind is his own church and that man must embrace reason While these arguments weren t new to the wealthy and educated class of the era they were new to the poor masses The book was at first distributed as cheap unbound pamphlets making it easily accessible to the poor and Paine s simple language was written in way the poor could understand and sympathize with This made the powerful very nervous and fearing that the book could cause a potential revolution Paine and his publishers were suppressed Paine wrote The Age

of Reason while living in Paris In France its thesis wasn t revolutionary enough for the bloodthirsty Jacobins he was imprisoned there for ten months and only escaped execution through a stroke of luck Meanwhile in Britain the government considered the pamphlets seditious British booksellers and publishers involved in printing and distributing the pamphlets were repeatedly tried for seditious and blasphemous libel with some even receiving sentences of hard labor Paine began writing Part III after escaping France for America but even the American elite thought the book too scandalous with Thomas Jefferson himself a Deist advising Paine not to publish Paine listened to Jefferson s advice and held off publishing Part III for five years before publishing extracts as separate pamphlets For that reason Part III is not a concrete publication but rather an arrangement of several loosely related pamphlets organized at the discretion of an edition s editor Once it was in the hands of Americans it sparked a revival in Deism in the United States before being viciously attacked from all sides Paine earned a reputation as an agitator and blasphemer that stuck to him for the rest of his life Despite The Age of Reason s harsh reception or perhaps because of it and the controversy and discussion it caused it achieved a popularity in England France and America that gave it incredible influence in those nation s perspectives on organized religion This book is part of the Standard Ebooks project which produces free public domain ebooks
