**Outlook** ,2005      **Spice Mill** ,1911      **Berenike and the Ancient Maritime Spice Route** Steven E.

Sidebotham,2019-05-07 The legendary overland silk road was not the only way to reach Asia for ancient travelers from the Mediterranean During the Roman Empire s heyday equally important maritime routes reached from the Egyptian Red Sea across the Indian Ocean The ancient city of Berenike located approximately 500 miles south of today s Suez Canal was a significant port among these conduits In this book Steven E Sidebotham the archaeologist who excavated Berenike uncovers the role the city played in the regional local and global economies during the eight centuries of its existence Sidebotham analyzes many of the artifacts botanical and faunal remains and hundreds of the texts he and his team found in excavations providing a profoundly intimate glimpse of the people who lived worked and died in this emporium between the classical Mediterranean world and Asia      Enterprise ,1999      רודולף קוהן Rudolph Cohen,1995      **From Samaria to Samarkand**

David A. Law,1992-02-11 Many people have speculated on the destiny of the Ten Lost Tribes of Israel which were carried away by the Assyrians in 722 B C Even serious attempts to find remnants of the Ten Lost Tribes have never proved where they are now located This book primarily shows evidence that the tribes went to Samarkand and that their descendants still live in that area Samarkand has been called a mysterious exotic or grand city by different authors However little is known about its origin name and people even though it has existed for more than 2500 years and was a hub of the Great Silk Route from China and the Great Spice Route from India The author noticed after visiting the city in 1971 an amazing number of similarities between the people there and the tribes This book will interest religious groups biblical historians and historians of ancient history
