Spokane Falls Illustrated Harry H. Hook, Francis J. McGuire, 1889 Spokane Falls Illustrated Harry H. Hook, Francis J. McGuire, 198? Spokane Falls Illustrated Harry H. Hook, 1889 *Spokane Falls Illustrated* Glenn Mason, Cheney Cowles Memorial Museum, 198? **Spokane Falls Illustrated ...** Harry H. Hook, F. J. McGuire, 1889 **Spokane** William Stimson, 1999 *A View of the Falls* William Stimson, David B. Reynolds, 1985 **Seven Frontier Women and the Founding of Spokane Falls** Barbara F. Cochran, 2011-01-01 **Mental Territories** Katherine G. Morrissey, 2018-09-05

Rarely recognized outside its boundaries today the Pacific Northwest region known at the turn of the century as the Inland Empire included portions of the states of Washington and Idaho as well as British Columbia Katherine G Morrissey traces the history of this self proclaimed region from its origins through its heyday In doing so she challenges the characterization of regions as fixed places defined by their geography economy and demographics Regions she argues are best understood as mental constructs internally defined through conflicts and debates among different groups of people seeking to control a particular area s identity and direction She tells the story of the Inland Empire as a complex narrative of competing perceptions and interests **Northwest Illustrated Monthly Magazine** ,1889 *Kirtland Cutter* Henry C. Matthews, 2018-07-01

In the early years of the twentieth century Spokane was singled out for praise in the West for the quality of its architecture and the impressive way it had rebuilt after the devastating fire of 1889 Major credit for the city s distinctive character was extended to Kirtland Kelsey Cutter for his rare architectural force and genius for design His remarkable career stretching from the Gilded Age to the Great Depression allows a fascinating study of the evolution of an eclectic form of architecture that was an inevitable response to rich regional and historical influences during a time of transition from frontier settlements to modern city Cutter s influence was felt beyond Spokane in Seattle other areas of Washington and in Oregon Idaho and Montana He was also responsible for buildings in the East and even for one in England After financial problems ended his career in the Northwest he began anew at age sixty three in southern California and worked there as an architect until his death in 1939 at age seventy nine Henry Matthews presents a comprehensive study of the whole body of Cutter s work with ample photographs and illustrations The book is based on exhaustive research in both the Northwest and California revealing the influences on Cutter and his associates the processes at work in the design and construction of the buildings and the relations between the architect and the many people who commissioned his work Particularly useful to Matthews s research was a collection of 290 sets of drawings as well as office accounts letters and books from Cutter s library materials acquired by the Eastern Washington State Historical Society He also was able to interview former assistants and clients who provided valuable insights on the architect and the way Cutter worked In addition many of the architect s residences hotels clubs and commercial buildings are still standing This book adds significantly to an understanding of Western urban and regional history But Cutter s experimentation in many styles and the

imaginative nature of his work make for a study that goes beyond regional limits and sheds light on national trends Winner of the 1999 Washington State Book Award *Show Town* Holly George,2016-10-26 Like many western boomtowns at the turn of the twentieth century Spokane Washington enjoyed a lively theatrical scene ranging from plays concerts and operas to salacious variety and vaudeville shows Yet even as Spokanites took pride in their city s reputation as a good show town the more genteel among them worried about its Wild West atmosphere In *Show Town* historian Holly George correlates the clash of tastes and sensibilities among Spokane s theater patrons with a larger shift in values occurring throughout the Inland West and the nation during a period of rapid social change George begins this multifaceted story in 1890 when two Spokane developers built the lavish Auditorium Theater as a kind of advertisement for the young city The new venue catered to a class of people made wealthy by speculation railroads and mining Yet the refined entertainment the Auditorium offered conflicted with the rollicking shows that played in the town s variety theaters designed to draw in the migratory workers primarily single men who provided labor for the same industries that made the fortunes of Spokane s elite As well to do Spokanites attempted to clamp down on the variety theaters performances at even the city s more respectable legitimate playhouses began to reflect a movement away from Victorian sensibilities to a more modern desire for self fulfillment particularly among women Theaters joined the debate over modern femininity by presenting plays on issues ranging from woman s suffrage to shifting marital expectations At the same time national theater monopolies transmitted to the people of Spokane new styles and tastes that mirrored larger cultural trends Lucidly written and meticulously researched *Show Town* is a groundbreaking work of cultural history By examining one city s theatrical scene in all its complex dimensions this book expands our understanding of the forces that shaped the urban American West **The Fair and the Falls** John William Theodore Youngs,1996 J William T Youngs headed the research staff who interviewed over 200 citizens and reviewed thousands of pages of records in order to write this definitive history of Spokane its people and the first ever Environmental World s Fair to be ratified by the Bureau of International Expositions in Paris This comprehensive history of a midsize western American city chronicles the coming of white settlers and their interchanges with the Indians of the region the harnessing and exploitation of the Spokane River and its beautiful falls for energy to run mills and light streets stores and homes and the impact of the railroads At the heart of this meticulously researched account is the growth and decay of Spokane s inner city by the falls as its economy ebbed and flowed and the reclamation of the falls through the resounding success of Spokane s World Fair Expo 74 **History of Portland, Oregon, with Illustrations and Biographical Sketches of Prominent Citizens and Pioneers** Harvey Whitefield Scott,1890 **An Illustrated History of Stevens, Ferry, Okanogan and Chelan Counties, State of Washington** ,1904 **An Illustrated History of the State of Montana** Joaquin Miller,1894 *The Cosmopolitan* ,1890 *Manual of Conchology, Structural and Systemic; with Illustrations of the Species ...* ,1892 *The Nation* ,1890 **Western Electrician** ,1890
