Subtle Innocence:

Manhood's Morning Joseph Alfred Conwell, 1903 **Bitters in the Honey** Beth Roy, 1999-01-01 The story of what happened at Little Rock's Central High School in September of 1957 is one with which most Americans are familiar. Indeed, the image of Central High's massive double staircase and of nine black teenagers climbing that staircase clutching their schoolbooks surrounded by National Guardsmen with fixed bayonets has become wedded in the American consciousness to the history of the civil rights struggle in this country. The world saw the drama at Central High as a cautionary tale about power and race. Drawing on oral histories, Beth Roy tells the story of Central High from a fresh angle. Her interviews with white alumni of Central High investigate the reasons behind their resistance to desegregation. The alumni, now near retirement age, discuss their lives since Central High and their present insecurities and resentments. The stories tell of the shaping of white identities in the latter half of the twentieth century of dissatisfaction, even anger that still lingers after forty years. Our country has not moved beyond matters of race; we have not left intolerance behind. To do so, Roy believes, we must stop demonizing people whose actions, historical or current, we do not fully understand. This elegantly written treatment of the Central High crisis is unique among studies done to date. It will help readers to better comprehend the complexity of racism, not only as it was evidenced at Central High in 1957 but as it continues to impact our lives today.

Machaut and the Medieval Apprenticeship Tradition Douglas Kelly, 2014 A close examination of an important theme in Machaut's works. A milestone in Machaut studies and in late medieval French literature in general, Machaut already considered the seminal figure in late medieval poetics and music; here he comes across in these respects more clearly than ever. Kelly also further contextualises him within what we might call the authorial apprenticeship tradition of Boethius, the Roman de la Rose, Dante, and later Gower, Chaucer, and Christine de Pizan. The fruit of one of the field's most distinguished scholars today, Nadia Margolis Mount Holyoke College, Guillaume de Machaut was celebrated in the later Middle Ages as a supreme poet and composer, and accordingly his poetry was recommended as a model for aspiring poets. In his *Voir Dit Toute Belle*, a young aspiring poet convinces the Machaut figure to mentor her. This volume examines *Toute Belle* as she masters Machaut's dual arts of poetry and love, focusing on her successful apprenticeship in these arts. It also provides a thorough review of Machaut's art of love and art of poetry in his *Dits* and lyrics, and the previous scholarship on these topics. It goes on to treat Machaut's legacy among poets who like *Toute Belle* adapted his poetic craft in new and original ways. A concluding analysis of *Melodie* identifies the synaesthetic pleasure that late medieval poets, including Machaut, offer their readers. Douglas Kelly is Professor Emeritus at the University of Wisconsin-Madison.
