the psychologically issues involved and then takes a close look at various examples of the non possessive intimate relationship style within several mostly covert contexts in which relationship partners agree to provide each other with the freedom to engage intimately with outsiders Written in a nontechnical accessible style Relax It s Just Sex uses humor and references to popular culture including films novels and songs to engage the reader in content that is primarily informative but also entertaining This important and eye opening book makes clear the significance and reasons for the growing popularity of the non possessive intimate relationship phenomenon and explains why and how this lovestyle may constitute a sexual revolution
