The Narrow Way:

The Christian's companion in the narrow way, **Navigating the Narrow Way** Curtis Wilson, 2022-10-06 Navigating the Narrow Way covers three fundamental changes that occur with us through us and in us These are transformation through a relationship with God transformation through the Christian community and transformation through serving others Each area of change has a lasting effect on us as our journey unfolds In this book Curtis Wilson the founder of Curtis Wilson Ministries explores how you can find your true self by developing a personal relationship with Christ As you learn to serve you ll discover meaningful work The author also answers questions such as How can you prepare for the challenges of discipleship What steps can you take to nurture a personal relationship with the Lord How can you allow the Holy Spirit to expose areas of your life that need repentance what were the circumstances that led to the Bible being printed in its present form The author also highlights the importance of testifying which doesn t just help bring more people to the Lord it encourages and edifies those already inside the kingdom Remember that you do not have to be a scholar or trained minister to give a testimony It is simply what you are witnessing *In Search of the Narrow Way* Michael A. Brown, 2012-07 Upon this rock I will build my church What Bible student has not encountered Jesus powerful words What group of Christians can really be considered the church that Jesus promised to build How does God view a divided Christianity What group is really in the narrow way In Search of the Narrow Way is an easy to read overview of the quest to be the church of the Bible Dr Brown captures major shifts in Church History from the ancient church to the Churches of Christ of the Stone Campbell Movement Readers will be informed challenged and encouraged by this insightful work Come and take the fascinating journey of seeking to find the narrow way Dr Michael A Brown has researched and written an illuminating historical work on the Churches of Christ In Search of the Narrow Way is presented in clear readable style that a layman can understand This work will help church members strengthen and share their faith Sylvia Brown Roberts Author of Behind Church Doors This is a beautifully written work I am inspired by Dr Brown s boldness and dedication to the pursuit of truth Eric Brown Editor

[The Narrow Way \(Volume 1\)](#) Zacharias Tane Fomum, You are where your choices have positioned you The Narrow Way is not written to steal your assurance of eternal life It is a groundbreaking masterpiece that exposes the lie that the Christian faith is a mere transaction based on momentary sentiments and sincerity Although the new life starts with a decision many soon forget that after the decision there is a journey called the Christian walk After entering through the narrow gate there is the narrow way a different way a Jesus way which is a direct opposite of the natural way There are two pathways open to each believer in the pursuit of the Christian walk namely the lower and upper pathways What are the obvious signposts on these two pathways What does the daily life on each of these pathways look like This book is a description of the narrow way and how to avoid its pitfalls It will compel you to work out your own salvation with fear and trembling which in fact is the life of a truly converted person The Narrow Way is the pathway of those who have chosen power through purity and holiness as

opposed to those who have chosen to tread on the natural way through compromise sin the love of the world and self sparing We send this book out with prayer that the Lord will use it to realign your walk with God and service for Him through deliberate and consistent choices of the crucified life **A picture of the broad and narrow way.
