The Need For Contemplation:

The Need for Contemplation René Voillaume,1972 To many contemplation is something reserved for the monk in his cell or for the hermit who has turned aside from the humdrum of everyday living This book dispels that myth by showing how vital conteplation is for the life of prayer of each one of us The author aims to encourage a more deliberate and more universal diffusion of contemplative though throughout the entire Christian society He shows the need for contemplation at the outset by going right to the heart of prayer and develops this by describing the ideal of the fusion of contemplation with the demonstration of love to the world outside Back cover

The Vedanta Primer : Adapted from the Vedanta Bodha of Akhandananda Saraswati GK Marballi,2014-03-07 Swami Akhandananda Saraswati Maharaj also known as Maharajshri spent his entire life teaching Vedanta through his discourses and writings on the Bhagavad Gita the Upanishads the Brahma Sootras the Shrimad Bhagavatam as well as the classical texts of Bhagavan Shri Shankaracharya His scholarship and command over these texts is rarely found in a teacher Furthermore he was able to convey nuances of the most complex concept in a listener friendly manner Most of Swamiji s teachings were written in Hindi In order to make his teachings accessible to a larger audience this author has made an attempt to translate the Vedanta Bodha a textbook containing the essence of Swamiji s teachings into English Annotations have also been added for clarity About The Author GK Marballi works in the technology industry and is presently based in New York City He received his bachelors degree in commerce from the University of Mumbai and his MBA from Harvard Business School Gregory the Great and His World R. A.

Markus,1997-10-09 Markus s new and accessible work is the first full study of Gregory the Great since that of F H Dudden 1905 to deal with both Gregory s life and work as well as with his thought and spirituality With his command of Gregory s works Markus portrays vividly the daily problems of one of the most attractive characters of the age Gregory s culture is described in the context of the late Roman educational background and in the context of previous patristic tradition Markus seeks to understand Gregory as a cultivated late Roman aristocrat converted to the ascetic ideal caught in the tension between his attraction to the monastic vocation and his episcopal ministry at a time of catastrophic change in the Roman world The book deals with every aspect of his pontificate as bishop of Rome as landlord of the Church lands in his relations to the Empire and to the Western Germanic kingdoms in Spain Gaul and especially his mission to the English Manual of Patrology and History of Theology Fulbert Cayré,1927 **The "Summa Theologica" of St. Thomas Aquinas** Saint
