The New Jerusalem:

What Is the New Jerusalem? David Jensen, 2020-12-16 We all know about how we were taught that when we die we will stand before Peter at the pearly gates and he holds a book determining if we are worthy of entering the gates of heaven We were told we will be running down streets of gold and having a mansion we reside in this enormous cube extending 1500 miles in all directions But have you really thought about that Have you considered how strange that would look on the earth When I began studying that I noticed that it is not mentioned in scripture But what is mentioned is the description of the bride of Christ In Revelation chapter 21 John is describing the bride as a beautiful city and not a literal super cube coming down In this book I will go verse by verse explaining this description so you can have an accurate knowledge of the Word of God

Old and New Jerusalem JONATHAN MONTANEZ, 2015-05-21 This concise clear and winsome appeal to seriously consider the reality of fulfilled prophecy has my unhesitating endorsement These are not new thoughts for me but increasingly they move me to a deeper and stronger embracing of all that I have in Christ now Andy James retired pastor Three Hills Alberta I've been listening from the pews for so many years now and I've never heard this perspective before Quite frankly it does make sense It's a very interesting and liberating concept Arturo Tolentino electrician Calgary Alberta I wonder how can such an obvious truth blindside us have we let our guard down Are denominations inadvertently commandeering us Jeremiah Montanez sailor Yokosuka Japan Realizing let alone experiencing the full breadth of the abundant life in Christ may be challenging until you come to terms with the message of this book David Oblima firefighter San Diego California When is the second coming of the Lord This is the ageless question that Jonathan Montanez's book tackles head on peppered with pivotal biblical and historical references Careful consideration is given to the various camps which prophesize the timing of this momentous occasion that led Jonathan to conclude with one logical answer Richard Hand journalist Halifax Nova Scotia The word imminence reclaimed its rightful meaning in this book its rejuvenated time sensitive denotation is a game changer A must read Arnel Silva handyman Airdrie Alberta

The New Jerusalem in the Book of Revelation Pilchan Lee, 2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John's main argument is that the church which is symbolized by several images is placed in heaven now chapters 4 20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21 22
