The Operator Fear No Evil:

The Operator D. J. Bradley, 2003-12 King mixes adventure and warm human interest in equal parts there is much here about wild life and hunting and everlasting conflict between men and animals as seen through the eyes of both King presents enthralling scenes that move with a lightning pace and alternate between the life of King and his family and their struggle for survival and the life of their human hunters Several themes are interwoven in this book the hunger for life that burns equally in animal and human instincts with the victory of sanity and peace over violence and killing This book will appeal to the young in heart of all ages its message is universal love of creatures and confidence in the best instincts of everything that lives

Fear No Evil Natan Sharansky, 1998-11-27 Temperamentally and intellectually Natan Sharansky is a man very much like many of us which makes this account of his arrest on political grounds his trial and ten years imprisonment in the Orwellian universe of the Soviet gulag particularly vivid and resonant Since Fear No Evil was originally published in 1988 the Soviet government that imprisoned Sharansky has collapsed Sharansky has become an important national leader in Israel and serves as Israel's diplomatic liaison to the former Soviet Union New York Times Jerusalem Bureau Chief Serge Schmemmann reflects on those monumental events and on Sharansky's extraordinary life in the decades since his arrest in a new introduction to this edition But the truths Sharansky learned in his jail cell and sets forth in this book have timeless importance so long as rulers anywhere on earth still suppress their own peoples For anyone with an interest in human rights and anyone with an appreciation for the resilience of the human spirit he illuminates the weapons with which the powerless can humble the powerful physical courage an untiring sense of humor a bountiful imagination and the conviction that Nothing they do can humiliate me I alone can humiliate myself
