*The Three Creeds* Edgar Charles Sumner Gibson, 1908 **Why the U.S. Men Will Never Win the World Cup** Beau Dure, 2019-11-15 October 10 2017 The U S men s soccer team loses in Trinidad and Tobago and fails to qualify for the 2018 World Cup Winning soccer s greatest prize never seemed more distant Immediate fixes a new coach a revamped professional league a commitment to coaching education won t put the USA in the global elite The nation is too fractious too litigious too wrapped up in other sports and too late to the game In *Why the U S Men Will Never Win the World Cup* A Historical and Cultural Reality Check Beau Dure shows what American soccer is really up against Using hundreds of sources to trace more than 100 years of history Dure delves into the culture that only recently lost its disdain for the global game and still doesn t have the depth of soccer insight and passion that much of the world has had for generations The difficulty isn t any single thing the mismanagement of failed leagues the inability to agree on a path

forward the lawsuits that stem from an inability to agree or the unique American culture that treasures its homegrown sports. It's everything. And yet, why the U.S. Men Will Never Win the World Cup is ultimately optimistic. Dure argues that with the right long-term changes, the U.S. can build a soccer environment that consistently produces quality players, strong results, and a lot more fun on the international stage. Soccer fans and skeptics alike will find this a fascinating examination of America's past, present, and future in the beautiful game.

**The Arse End of the Year** Peter Goulding, 2018-01-11. A look at the season of Christmas and winter through the medium of light verse. The Arse End of the Year chronicles the build-up to the festive season, the solstice, the day itself, and the post-Christmas slothfulness, together with aspects of the cold and dreary winter season so beloved by well-not-many-people-actually. From the reindeer-shaped blips on the air traffic controllers' screen to the disappearing cheese portions from forgetting auld acquaintance to the difficulty of burying dead bodies in frosty weather, Peter Goulding gives us a uniquely personal insight into the season in his inimitable style, not that many people would want to imitate it.
