**Christ Crucified** Klaas Schilder, Klass Schilder, 2001-11 These superb works are without equal in modern literature Schilder brings the reader into touch with the spiritual and temporal forces which converged during the Passion Week He is careful to keep Christ central and he blends in a masterful way this culmination of our Lord's earthly life with historical facts and psychological realities Cyril Barber The Minister's Library Schilder was a noted Dutch scholar of the early twentieth century The three volumes of this work were translated by Henry Zylstra They first appeared in 1937 The three volumes cover three aspects of the suffering and death of the Lord Jesus Christ They are entitled **Christ Crucified** **Christ in His Suffering** and **Christ On Trial** In The Minister's Library Cyril Barber states Theologically accurate abounds in suggestive insights and provides exegetical illumination for a score of Easter sermons It is a classic treatment on the passion of Christ It deserves a place in every pastor's library The three volumes cover the night of His betrayal to His condemnation it is a learned accurate treatment That says a lot about this unique very important work It is simply indispensable to the understanding and feeling of the power of the passion of Christ To put it into the words of the Apostle Paul all should feel as he did Oh that I might be found in Him to know Him and the power of His resurrection and the fellowship of His sufferings having been conformed to His death if somehow I may attain to a resurrection out of the dead Philippians 3:9-11 Through the guidance and inspiration of God the Holy Spirit Schilder has captured the drama and the pathos of Christ's ordeal and yet also passes on to the reader the triumph and the exultation of Christ as He completes His voluntary submission to the Father's will Sacrifice and offering You did not desire but You prepared a body for Me You did not delight in burnt offering and sacrifices concerning sins Then I said Lo I come in the heading of the Book it was written concerning Me to do Your will O God Psalm 39:6-9 Heb 10:5-7 No child of God is completely mature until he or she has gone to Gethsemane and followed the

trail of Christ as He approached the hour when He must endure unspeakable humiliation pain and the suffering of momentary loss of the Father's presence with Him. It is no wonder that He sweat blood at the prospect for He was not ignorant of what He must go through in order to provide salvation for His sheep. The Good Shepherd lays down His life for the sheep. John 10:11. No one will better draw you down to the depths of this drama, a scene which only one Person could have endured than Schiller. You will not be the same after you have followed Christ through these stirring looks that Schiller gives you; you will be a better Christian by far. This is a Best Set in Print. Schiller was a man of many gifts without any doubt. Anyone who has read his writings, even some of them, will readily acknowledge that he possessed the ability to look at various theological questions in different ways and to express his ideas in sometimes eloquent ways which were often fresh and new. 560 pages, blue hard cover.

**The Second Death.** By E. B. E. B., 1871. **Death and Religion in a Changing World** Kathleen Garces-Foley, 2022-06-01. *Death and Religion in a Changing World* is a comprehensive and accessible study of the intersection of death and religion, examining how everyday people enact religious responses to death in the twenty-first century. With contributions from leading religious studies scholars, this book moves away from the field's focus on traditional beliefs to explore how religious traditions evolve in relation to their changing social contexts. Employing an ethnographic approach, *Death and Religion in a Changing World* further details how people from a wide variety of religious traditions and people without religious affiliation draw on and adapt religious practices as they respond to death in modern societies. Every chapter in this second edition has been thoroughly updated, and new chapters on the ethical issues of dying, including life-prolonging medical treatments, palliative care, physician-assisted suicide, and euthanasia, and the modern hospice movement, have been added. This book also covers emerging social and religious phenomena such as public shrines, the COVID-19 pandemic, funeral celebrants, death with dignity, spiritual bereavement groups, and online funeral practices. This cutting-edge work is essential reading for students and scholars of religion who are approaching the subjects of death and religion and ritual studies.

**The Triumph of Death** Gabriele D'Annunzio, 1896. The story is set in the Abruzzo region, the birthplace of the author. The noble aesthete Giorgio Aurispa, besotted with his unhappily married lover Ippolita, leaves Rome after witnessing a suicide. After a brief interlude with Ippolita in Albano, Giorgio receives a telegram from his mother who lives in the small mountain village of Guardiagrele. Giorgio arrives in the beautiful city of stone and is fascinated by the sculptures; however, he is equally haunted by popular superstitions and the memories of the suicide of his uncle Demetrio, whom he had loved as a father. Worse, Giorgio discovers that his actual father has squandered the family fortune, forcing his mother and siblings to live in poverty while he carries on with a prostitute. Giorgio curses his father, abandoning his family and runs to the sea, buying a house on a

hill in San Vito Chietino Ippolita joins him and the two pursue a summer of decadent languor marred only by Giorgio's developing paranoia towards her. Giorgio is additionally obsessed with death and matters only become worse after the pair undertake a pilgrimage to the shrine of Casalbordino where the multitude of desperate supplicants begging cures of the statue of the Madonna drives them away in horror. While Giorgio becomes more and more unmoored and desperate to leave both Abruzzo and what he perceives as Ippolita's unwholesome influence, she remains amused and fascinated by their surroundings. Finally, Giorgio decides that his only recourse is to carry her over a seaside cliff, killing both of them.
