guidebook offers advice and encouragement to families those who live in Alaska as well as those in less extreme climates and locales Organized by the age of the young adventures from days old infants to independent teens each section invites readers to learn from the humorous real life adventures and misadventures of the author her husband and their twin girls Weaving in the kids advice in their own words this guide covers challenges ranging from unexpected hailstorms to very much expected mosquitoes Tips include everything from how to avoid moose to how to get out in the rain to the benefits of setting big kids free to explore This family s enthusiastic joyful and often hilarious tales offer the impetus and the tools to encourage new parents or more experienced parents or anyone who loves kids to go play outside **Families at Play** Sinem

Siyahhan, Elisabeth Gee, 2018-02-02 How family video game play promotes intergenerational communication connection and learning Video games have a bad reputation in the mainstream media They are blamed for encouraging social isolation promoting violence and creating tensions between parents and children In this book Sinem Siyahhan and Elisabeth Gee offer another view They show that video games can be a tool for connection not isolation creating opportunities for families to communicate and learn together Like smartphones Skype and social media games help families stay connected Siyahhan and Gee offer examples One family treats video game playing as a regular and valued activity and bonds over Halo A father tries to pass on his enthusiasm for Star Wars by playing Lego Star Wars with his young son Families express their feelings and share their experiences and understanding of the world through playing video games like The Sims Civilization and Minecraft Some video games are designed specifically to support family conversations around such real world issues and sensitive topics as bullying and peer pressure Siyahhan and Gee draw on a decade of research to look at how learning and teaching take place when families play video games together With video games they argue the parents are not necessarily the teachers and experts all family members can be both teachers and learners They suggest video games can help families form develop and sustain their learning culture as well as develop skills that are valued in the twenty first century workplace Educators and game designers should take note Hang Time Elgin Baylor, Alan Eisenstock, 2018

Elgin Baylor s memoir of an epic all star career in the NBA during which he transformed basketball from a horizontal game to a vertical one and his fights against racism during his career as a player and as general manager of the LA Clippers under the infamous Donald Sterling People think of Elgin Baylor as one of the greatest basketball players in the history of the game and one of the NBA s first black superstars but the full extent of his legacy stretches beyond his spectacular game changing shots and dunks With startling symmetry Baylor recounts his story flying back and forth between the U S Army and the Lakers his time as a central figure in the great Celtics Lakers rivalry and how he helped break down color barriers in the sport his 1964 All Star game boycott his early years as an executive for the New Orleans Jazz and twenty two years as general manager for the notorious L A Clippers and Donald Sterling spent fighting to draft and sign young black phenoms only to be hamstrung by his boss at every turn No one has seen the league change and has worked to bring change more than Baylor Year after year he

continued to fight and persevere against racism At the beginning of his career he was forced to stay in separate hotel rooms From those days to today s superstardom he has had a front row view of the game s elevation to one of America s favorite sports For the first time Elgin Baylor tells his full story He s played with the legends lived with them and knows more about the NBA than anyone living and is finally ready to set the record straight *Out of the Shuffle* Sabrina Irene
