Moving Zen C. W. Nikoru, Munehiro Ikeda, 2001

A classic story of one man's confrontation with the self through Karate. In 1962 at age twenty-two C W Nicol left Wales to study Karate in Japan. He quickly found that the study of the martial art engaged his whole being and transformed his outlook on life. Moving Zen is the multifaceted story of a young man who arrived in Japan to study the technique and spirit behind Karate. Joining the Japan Karate Association or Shotokan Nicol discovered that Karate while extremely violent also called for politeness and a sense of mutual trust and responsibility. He learned that the stronger the Karateka the more inclined he was to be gentle with others. Those who have gained a measure of skill but have not yet achieved spiritual maturity are the dangerous practitioners. Studying kata Nicol came to realize that these forms are in essence moving Zen and that the ultimate goal of all the martial arts is tranquility. Through the help of many gifted teachers C W Nicol gained his black belt and moved progressively closer to his goal of tranquility. His story Moving Zen was first published in 1975 and has achieved the status of a modern classic.

Barefoot Zen Nathan J Johnson, 2000-11-15

Most books about Kung Fu or Karate deal with techniques or history. Few examine the underlying purpose of these arts or approach them as a tool for spiritual rather than physical development. Barefoot Zen is a brave new approach to the martial arts which clearly demonstrates that the traditional movements of both Kung Fu and Karate contained in the solo choreographed sequences of movements known as forms or kata grew out of the spiritual practices of the Shaolin order of Buddhist monks and nuns. Nathan Johnson explains that this mystical and non-violent teaching is a profound and beautiful expression of Chan Zen Buddhism and its pursuit of wisdom, peace and enlightenment. Contrary to popular assumption he contends that it was never intended to be an actual means of self-defense. Barefoot Zen bridges the gap between Kung Fu and Karate and reveals their common origin through the disclosure of vital research material on three of the world's most important Karate kata. Part I explains the spiritual disciplines that contributed to what we know as the martial arts. Part II explains the creation of the art along with practical instruction for performing kata. Part III explains the formation of many of the world's Kung Fu styles. We learn that the original empty hand art was used as a method of kinetic meditation between pairs and was designed as a practical tool to assist practitioners in transcending the fear and insecurity of everyday living. Barefoot Zen makes the legacy of the Shaolin way accessible to all, releasing the art from the clutches of popular images and painful concerns about self-defense. The legendary courage of the Shaolin Chan Zen order was not developed by fighting with enemies but by not fighting. The Shaolin

teaching was designed to free us from fear the only true enemy **New American Review** ,1975 **AR; American Review** ,1975 **The Mighty Atom** Ed Spielman,1979 Presents an account of the life and feats of a vaudeville strongman who bit through iron bars and crushed steel spikes with his hands during his performances *Jazz Forum* ,1974 Zen in the Martial Arts Joe Hyams,2010-05-05 A man who has attained mastery of an art reveals it in his every action Samurai Maximum Under the guidance of such celebrated masters as Ed Parker and the immortal Bruce Lee Joe Hyams vividly recounts his more than 25 years of experience in the martial arts In his illuminating story Hyams reveals to you how the daily application of Zen principles not only developed his physical expertise but gave him the mental discipline to control his personal problems self image work pressure competition Indeed mastering the spiritual goals in martial arts can dramatically alter the quality of your life enriching your relationships with people as well as helping you make use of all your abilities
