Waxman, 2009-09-28 The Jewish attachment to Zion is many centuries old While the modern Zionist movement was organized a little more than a century ago the roots of the Zionist idea reach back close to 4 000 years ago to the day that the biblical patriarch Abraham left his home in Ur of the Chaldees to settle in the Promised Land where the Jewish state subsequently arose From that day to the establishing of the state of Israel in 1948 the Jewish people have been in a constant struggle to either regain or maintain their homeland Although 60 years have now passed since the establishment of Israel many of the political and religious factions that made up the Zionist movement in the pre state era remain active The A to Z of Zionism through its chronology maps introductory essay bibliography and over 200 cross referenced dictionary entries on crucial persons organizations and events is a valuable contribution to the appreciation for both the diversity and consensus that characterize the Zionist experience **Zionism** Mordecai S. Chertoff, 1975 **Historical Dictionary of Zionism** Rafael Medoff, Chaim I. Waxman, 2008-06-13 The Jewish attachment to Zion is many centuries old While the modern Zionist movement was organized a little more than a century ago the roots of the Zionist idea reach back close to 4 000 years ago to the day that the biblical patriarch Abraham left his home in Ur of the Chaldees to settle in the Promised Land where the Jewish state subsequently arose From that day to the establishing of the state of Israel in 1948 the Jewish people have been in a constant struggle to either regain or maintain their homeland Although 60 years have now passed since the establishment of Israel many of the political and religious factions that made up the Zionist movement in the pre state era remain active The second edition of the Historical Dictionary of Zionism through its chronology maps introductory essay bibliography and over two hundred cross referenced dictionary entries on crucial persons organizations and events is a valuable contribution to the appreciation for both the diversity and consensus that characterize the Zionist experience **Militant Zionism in America** Rafael Medoff, 2002-07-02 Relates an important and neglected chapter of American Jewish history Israel, Beloved of God--His Eye Is Upon You--Fear Not! Grace McGonigle, 2009-03 First Born Blessings upon Ishmael is a plea for realization of how abundantly the Lord God of Israel has blessed the Arab Hopefully coaxing Ishmael into a new respect and gratitude for the One who has so blessed him and his heritage The Fear of the Lord and The Wrath of God are must reads for what is taking place today world wide Thought filled poetry should awaken many What is Israel s birthright Who does this tiny piece of real estate really belong to Jews Arabs and Christians alike are disillusioned and have been misled concerning this ancient nation Outright fabrications have been made by those who are and are not ignorant of historical facts The result grievous misunderstandings to the truth of exactly what belongs to whom and why Primary historical facts rather than supposition should bring to those seeking truth thought out basic attitudes and responses to such Essential changes must be put into action It is time to realize the truth of the despicable forlorn empty cursed malarial swamps and treeless wasteland that Israel had become under 400 years of

Turkish Ottoman control and who it was with work and sweat and shed blood that restored Israel to what she has become It is time for the worlds governments and people groups to come together in dignity and justice to honor these truths and to join in the work of restoration of their inheritance unto the rightful heirs
