The Apocalypse Diaries:

The Long Year Thomas J. Sugrue, Caitlin Zaloom, 2022-01-25 Some years 1789 1929 1989 change the world suddenly Or do they In 2020 a pandemic converged with an economic collapse inequalities exploded and institutions weakened Yet these crises sprang not from new risks but from known dangers The world like many patients met 2020 with a host of preexisting conditions which together tilted the odds toward disaster Perhaps 2020 wasn't the year the world changed perhaps it was simply the moment the world finally understood its deadly diagnosis In *The Long Year* some of the world's most incisive thinkers excavate 2020's buried crises revealing how they must be confronted in order to achieve a more equal future Keeanga-Yamahtta Taylor calls for the defunding of police and the refunding of communities Keisha Blain demonstrates why the battle against racism must be global and Adam Tooze reveals that COVID-19 hit hardest where inequality was already greatest and welfare states weakest Yarimar Bonilla Xiaowei Wang Simon Balto Marcia Chatelain Gautam Bhan Ananya Roy and others offer insights from the factory farms of China to the elite resorts of France the meatpacking plants of the Midwest to the overcrowded hospitals of India The definitive guide to these ongoing catastrophes *The Long Year* shows that only by exposing the roots and ramifications of 2020 can another such breakdown be prevented It is made possible through

institutional partnerships with Public Books and the Social Science Research Council *Britain, the Bible, and Balfour* Jonathan Immanuel, 2019-10-16 In 1917 only Britain would have taken the decision to favor a Jewish national home when the opportunity occurred to dismantle the Ottoman Empire for it had been interlocked with the Hebrew Bible since political and theological crises in sixteenth and seventeenth century England released the so-called Old Testament from its defined role as a christological premonition of the New Testament *Britain, the Bible, and Balfour* unpacks the tumultuous history of the idea of a unique Jewish home state and the development of Zionism as it took shape over the course of several centuries in England The author argues that in fact the theopolitical vision of Zionism is a peculiarly British phenomenon with roots that go back to the English Reformation The religious and political battles over the Bible the role of Hebrew scripture the monarchy and national identity provided the fortuitous if providential groundwork for the recovery of a vision of the Jewish people as a unique community with a mandated home Zionism emerged from this context as a powerful movement that advocated for the return of the land and the people as a divinely ordained religious and political project Yet as this volume demonstrates that idea is explicable only on the basis of the contextual events in early modern England and would take nearly five hundred years to become a geopolitical reality This volume provides a critically important genealogical account and illuminates the fascinating history of how England became the surprising progenitor of a revolutionary idea

Apocalypse, Revolution and Terrorism Jeffrey Kaplan, 2018-09-21 This book focuses on religiously driven oppositional violence through the ages Beginning with the 1st century Sicari it examines the commonalities that link apocalypticism revolution and terrorism occurring in Judaism Christianity and Islam past and present It is divided into two sections This was

Then and This is Now which together examine the cultural and religious history of oppositional violence from the time of Jesus to the aftermath of the 2016 American election The historical focus centers on how the movements leaders and revolutionaries from earlier times are interpreted today through the lenses of historical memory and popular culture The radical right is the primary but not exclusive focus of the second part of the book At the same time the work is intensely personal in that it incorporates the author s experiences in the worlds of communist Eastern Europe in the Iranian Revolution and in the uprisings and wars in the Middle East and East Africa This book will be of much interest to students of religious and political violence religious studies history and security studies

Plots: Literary Form and Conspiracy Culture Ben Carver, Dana Craciun, Todor Hristov, 2021-11-29 This edited collection contributes to the study of conspiracy culture by analysing the relationship of literary forms to the formation reception and transformation of conspiracy theories Conspiracy theories are narratives and their narrative form provides the structure within which their readers situate themselves when interpreting the world and its history At the same time conspiracist interpretations of the world may then be transmuted into works of literature and import popular discourse into narrative structures The suppression and disappearance of books themselves may generate conspiracy theories and become co-opted into political dissent Additionally literary criticism itself is shown to adopt conspiracist modes of interpretation By examining conspiracy plots as literary plots with narrative rhetorical and symbolic characteristics this volume is the first systematic study of how conspiracy culture in American and European history is the consequence of its interactions with literature This book will be of great interest to researchers of conspiracy theories literature and literary criticism

Millennial Violence Jeffrey Kaplan, 2013-09-13 This volume encompasses an array of material exploring the millennium phenomenon and the violent excitement it provokes Consisting of three core parts the book combines pertinent documents with insightful commentary and discussion

The Apocalypse Diaries Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Apocalypse Diaries has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Apocalypse Diaries has opened up a world of possibilities. Downloading The Apocalypse Diaries provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Apocalypse Diaries has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Apocalypse Diaries. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Apocalypse Diaries. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Apocalypse Diaries, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Apocalypse Diaries has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
