The Falling Torch:

The Falling Torch Algis Budrys,1972 The earth had been captured by The Invaders A generation later Michael Wireman had come back from the Centaurian colony and found very little that he expected For one thing most Earthmen were perfectly contented The fighting was between factions of outlaw Earthmen hidden in the mountains barely taken note of by the invaders And Wireman found he didn't like the outlaws Could he become assimilated by the tame Earthmen Could he in other words surrender

Falling Torch Algis Budrys,1990 *Falling Torch* Algis Budrys,2005-07-01 Now for the first time the complete text of this classic novel Wireman came back to a vanquished Earth on a mission to save it What he learned was that the guerillas were corrupt and the average citizen would just as soon be left alone And he wasn't in very good shape himself How could he save Earth when Earth no longer cared 3A crackling good yarn 2
