## Theology In Turmoil:

Theology in Turmoil Alan P.F. Sell, 1998-05-13 In *Theology in Turmoil* Alan Sell examines the controversy between conservatives and liberals The perennially important question What is the Christian gospel was writes the author thrust to the fore in that debate between theological conservatives and liberals which was at its height between 1890 and 1930 and of which echoes may be heard to this day In this book I seek to trace the roots of this debate to outline its course and draw some lessons from it

**A Critical Reading of the Development of Raimon Panikkar's Thought on the Trinity** Camilia Gangasingh MacPherson, 1996 This book traces the Trinitarian thought of Raimon Panikkar in his attempt to bridge the gap between Christianity and the world religions The viewpoints of the early and later Panikkar show continuity and shifts in his Trinitarian theology The early Panikkar provides a Trinitarian theology and reaches the heart of the world religions especially the Advaita Vedanta experience in Hinduism and the Nirvana experience of Buddhism The later Panikkar still using many of the probing concepts of his earlier thought departs significantly from traditional Christian theology His thoughts still continue the attempt at bridge building between Christianity on the one hand and the world religions and even the secular world on the other Although several dimensions of Panikkar's Trinitarian theology are open to severe criticism nevertheless it serves as an effective tool for furthering awareness of and dialogue between the world religions

Sollom, 2020-01-08 It is now just over twenty five years since the publication of the *Catechism of the Catholic Church* It is also more than thirty five years since St John Paul II called for a new evangelization to be characterized by a new ardor a new expression and new methods The conviction common to the contributors in this
