War Within:

The War Within Don Tate, 2012-05-31 a memoir that is at once dramatic disturbing sexually charged and often very funny but ultimately a moving portrait of a man who has found the inner strength to overcome Paul Ham international journalist and author This is a complex virtuoso analysis of an Australian life written by an unabashed and unrepentant author an acidic dissection of the role that genes and environment have in developing a person's character as well as a sauntering chronicle of social analysis In turn we follow the life of the author as he comes to terms with being a disaffected youth a patriotic but naive infantryman in the Vietnam War and an alienated disabled veteran struggling with male status anxiety apparently inexhaustible in its capacity to cause suffering Along the way Tate examines the dark crevices of the male psyche as he battles inner demons and the unconditional love of his beautiful Christian wife Carole Above all this memoir is a celebration of the human condition and of a man with a can do cavalier attitude to life and his desire to rise above mediocrity An outstanding contribution to Australia's rich heritage of memoir

The War Within Jerry Udoh, PhD, 2025-11-13 For generations we have been taught whether by sermons shouted from pulpits or whispered through church corridors that deliverance is a spectacle We have been conditioned to expect deliverance as something dramatic a mighty shout anointed oil splashing bodies trembling voices raised until the room shakes and the final moment when a person collapses under the weight of a power they cannot see To many deliverance is when the demons are screamed out visible public loud This portrayal while not entirely without biblical precedent think of the demoniac in the tombs dramatically freed by Jesus has often led to a skewed understanding of how true and lasting deliverance frequently occurs It has been believed that the key lies in the external spectacle in the power of a charismatic minister or a boisterous assembly But the greatest battles the ones that truly set captives free are rarely fought in public view Yet the most profound victories in the spiritual realm often unfold in the quiet unseen spaces of the mind The true war the most significant deliverance is often fought and won in the quiet recesses of the inner world when strongholds built not just by personal sin but also by the subtle currents of inherited trauma are dismantled These inner conflicts fueled by subconscious spiritual agreements and the vivid often distorted landscapes of the imagination are where the enemy seeks to establish his domain It is here in the quiet depths of the mind that the power of the Holy Spirit empowers us to take every thought captive making it obedient to Christ These are the places where strongholds deeply entrenched belief systems secret vows hidden memories and generational chains are built brick by brick through years of personal wounds and bloodline traumas Consider the story of David a man of profound faith a man after God's own heart Yet even David the giant slayer grappled with deep inner turmoil This raw honesty is revealed in the Psalms where he wrestles with fear despair and doubt His lament in Psalm 42:5 Why are you downcast O my soul Why this unease within me Put your hope in God reveals a deliberate engagement with his own thoughts and feelings an internal dialogue seeking to align his soul with the truth of God's promises This wasn't a public spectacle but a private struggle in the

quiet of his heart and mind David in his wrestling was taking his thoughts captive casting down the imagination of despair and choosing to believe in God's faithfulness Consider the story of a young woman named Leah Raised in a home where harsh words and constant criticism were common Leah developed a deep fear of judgment and a sense of worthlessness This personal trauma became a stronghold in her mind a fortress of fear and self condemnation Although she accepted Christ and understood God's love she found it hard to truly accept His grace Whenever a challenging situation arose the old tapes of her childhood would replay whispering lies about her inadequacy This inner conflict between God's truth and the ingrained lies of her past held her captive hindering her ability to step out in faith and embrace her calling It wasn't a visible demon holding her back but a deeply entrenched stronghold of the mind built on personal trauma

[The Art of Return](#) James Meyer, More than any other decade the sixties capture our collective cultural imagination And while many Americans can immediately imagine the sound of Martin Luther King Jr declaring I have a dream or envision hippies placing flowers in gun barrels the revolutionary sixties resonates around the world China's communist government inaugurated a new cultural era African nations won independence from colonial rule and students across Europe took to the streets calling for an end to capitalism imperialism and the Vietnam War In this innovative work James Meyer turns to art criticism theory memoir and fiction to examine the fascination with the long sixties and

contemporary expressions of these cultural memories across the globe Meyer draws on a diverse range of cultural objects that reimagine this revolutionary era stretching from the 1950s to the 1970s including reenactments of civil rights antiwar and feminist marches paintings sculptures photographs novels and films Many of these works were created by artists and writers born during the long Sixties who were driven to understand a monumental era that they missed These cases show us that the past becomes significant only in relation to our present and our remembered history never perfectly replicates time past This Meyer argues is precisely what makes our contemporary attachment to the past so important it provides us a critical opportunity to examine our own relationship to history memory and nostalgia
