What can you do with your astrological birth chart? If you're an astrologer, you learn amazing information about your personality and make predictions. If you're not an astrologer, you can puzzle over the circles and symbols until now. *Astrology for Self Empowerment* by Dovid Strusiner moves astrology to entirely new realms, making this a must for both the astrological expert and those unfamiliar with the science. It takes the basic information from the chart and shows you how to change your life so you can achieve your spiritual and worldly goals easily. The technique starts with the birth chart. If you are an astrologer, you can draw this yourself. If not, the book includes a coupon to receive a free natal chart. Even the postage is paid. The book describes the basic meanings of the sun, signs, planets, and more, but that is just the start. *Astrology for Self Empowerment* shows that you are not at the mercy of the planets and stars. Instead, you can use their archetypal power to create the future you want. Overcome self-defeating subconscious programming. Create a life that is richer in every way. This book shows you how to do this with techniques of self-exploration, visualization, affirmation, invocation, breath work, and working with the gems and crystals associated with the planets and signs. These are tied together in a powerful and easy-to-use program for self-change and empowerment. Examples show you how to do this easily for yourself. *Astrology for Self Empowerment* will empower you to change your universe and become what you want to be.
