Washington Square Henry James, 2023-10-01 In the Washington Square area of New York City in the late nineteenth century devastating betrayals by both her father and her lover leave shy and fragile Catherine Sloper permanently scarred Novelist [Washington Square & The Marriages](#) Henry James, 2020-11-24 Washington Square is a short novel by Henry James Originally published in 1880 as a serial in Cornhill Magazine and Harper s New Monthly Magazine it is a structurally simple tragicomedy that recounts the conflict between a dull but sweet daughter and her brilliant unemotional father The plot of the novel is based upon a true story told to James by his close friend British actress Fanny Kemble The book is often compared with Jane Austen s work for the clarity and grace of its prose and its intense focus on family relationships James was not a great fan of Washington Square He tried to read it over for inclusion in the New York Edition of his fiction 1907 1909 but found that he could not so the novel was not included Readers though have sufficiently enjoyed the book to make it one of the more popular of James s works Indeed and has since been used in schools all over the world The novel is told in the first person omniscient point of view and the narrator often offers comments directly to the reader though it is an awkward confession to make about one s heroine I must add she was something of a glutton Chapter II The novel begins at a distance from the characters describing the background of the Sloper family It then recounts in detail the story of Catherine s romance with Morris Townsend When Morris jilts her the focus shifts back to a long view As the narrator puts it Our story has hitherto moved with very short steps but as it approaches its termination it must take a long stride The final few chapters are taken once more in short steps ending with the striking vignette of Catherine s refusal of Morris

Washington Square Henry James, 2014-04-14 Er liebt sie er liebt sie nicht er liebt sie er liebt sie nicht Selten waren Herzensangelegenheiten undurchsichtiger als in diesem Roman Washington Square eines von James bekanntesten und beliebtesten Werken offenbart dessen Meisterschaft in der Analyse menschlicher Abgründe Die vorliegende Neuübersetzung erschließt die komplexe anspielungsreiche Sprachwelt des Autors und ermöglicht endlich auch im Deutschen höchsten Lesegenuss Catherine Sloper ist ein schmerzhaftes in jeder Hinsicht

classes Mädchen und eine der besten Partien New Yorks Als ihr der attraktive Abenteurer Morris Townsend den Hof macht geht sie bereitwillig auf sein Werben ein Doch Catherines Vater zugleich der Verwalter ihres Vermögens vermutet in Townsend einen Mitgiftjäger und will eine Heirat um jeden Preis verhindern Hin und hergerissen zwischen kindlichem Pflichtgefühl und dem Wunsch nach Selbstbehauptung ringt Catherine um eine Entscheidung Hin und hergerissen ist auch der Leser denn über die wahren Motive aller Beteiligten des verarmten Bräutigams in specie ebenso naiven wie geschmeichelten Braut des in seiner Autorität verletzten Brautvaters der sein Vermögen einst selbst durch Heirat erworben hatte lässt uns Henry James bewusst im Unklaren

Washington Square Henry James,2022-09-08 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied Published in two volumes in 1880 Washington Square dramatises the plight of Catherine Sloper a rich heiress whose father a successful doctor identifies her one suitor Morris Townsend as a fortune hunter The novel thus draws on the sentimental tradition which it develops with subtle sympathetic irony in a realist direction This edition is the first to provide a full account of the context in which the book was composed and received and to include the original illustrations by Punch cartoonist George Du Maurier Extensive explanatory notes enable modern readers to understand its nuanced historical cultural and literary references and its complex textual history

Washington Square [BOOK CLUB] Henry James,2010 One of the most instantly appealing of James's early masterpieces Washington Square is a tale of a trapped daughter and domineering father a quiet tragedy of money and love and innocence betrayed Catherine Sloper heiress to a fortune attracts the attention of a good looking but penniless young man Morris Townsend but her father is convinced that his motives are merely mercenary He will not consent to the marriage regardless of the cost to his daughter Out of this classic confrontation Henry James fashioned one of his most deftly searching shorter fictions a tale of great depth of meaning and understanding First published in 1880 but set some forty years earlier in a pre Civil War New York the novel reflects ironically on the restricted world in which its heroine is marooned In his excellent introduction Adrian Poole reflects on the book's gestation and influences the significance of place and the insight with which the four principal players are drawn The book also includes an up to date bibliography illuminating notes and a discussion of stage and film adaptations of the story
