Kashmir Watch ,1994 **Advertising Tower** William O. Gardner,2020-05-11 On a December morning in 1925 a newspaper journalist reported receiving 25 different handbills in an hour s walk in downtown Tokyo advertising everything from Western style clothing and furniture to sweet shops charity organizations phonograph recordings plays and films The activities of advertisers and the new entertainment culture and patterns of consumption that they promoted helped to define a new urban aesthetic emerging in the 1920s This book examines some of the responses of Japanese authors to the transformation of Tokyo in the early decades of the twentieth century In particular it explores the themes and formal strategies of the modernist literature that flourished in the 1920s focusing on the work of Hagiwara Kyojiro 1899 1938 and Hayashi Fumiko 1903 1951 William Gardner shows how modernist works offer new constructions of individual subjectivity amid the social and technological changes that provided the ground for the appearance of mass media Hagiwara s conception of the poem and poet as an electric radio advertising tower provides an emblem for the aesthetic tensions and multiple discourses of technology media urbanism commerce and propaganda that were circulating through the urban environment at the time while Hayashi s work with its references to popular songs plays and movies suggests an understanding of everyday life as the interface between individual subjectivity and a highly mediated environment *Kemlo's Watch-repairer's Handbook* F. who disappeared in the country's civil war examining death squad killings on the Philippines island of Mindanao and the detention of asylum seekers in Papua New Guinea And her work on the appalling treatment of prisoners many of whom are Aboriginal vividly demonstrates that human rights abuses are something that happens at home as well as out in that wider world In exploring human rights abuses and governments failure to address them *Chasing Wrongs and Rights* sometimes shows humanity at its worst Just as often though we see people at their best compassionate resilient determined Deeply informative and inspiring Elaine Pearson's story will leave you understanding how much needs to change and how individuals can make a difference
