What Spock Forgot:

Star Trek: DTI: Forgotten History Christopher L. Bennett, 2012-04-24 While Starfleet explorers get to live the adventure of travelling to other times and realities it's up to the dedicated agents of the Federation Department of Temporal Investigations to deal with the consequences to the timestream the rest of us have to live in day by day But in a universe where history as we know it could be wiped out at any moment by time warriors from the future only the most disciplined obsessive and unimaginative government employees have what it takes to face the existential uncertainty of it all on a daily basis and still stay sane enough to do their jobs That's where Agents Lucsly and Dulmur come in Together with their colleagues in the DTI and with the help and sometimes hindrance of Starfleet's finest they do what they can to keep the timestream or at least the paperwork as neat and orderly as they are But when a series of escalating temporal incursions threatens to open a new front of the history spanning Temporal Cold War in the twenty fourth century Lucsly and Dulmur will need all their investigative skill and unbending determination to keep the present and the future from falling into the kind of chaos they really really hate

Feminism's Forgotten Fight Kirsten Swinth, 2018-11-05 Kirsten Swinth reconstructs the comprehensive vision of feminism's second wave at a time when its principles are under renewed attack In the struggle for equality at home and at work it was not feminism that failed to deliver on the promise that women can have it all but a society that balked at making the changes for which activists fought
